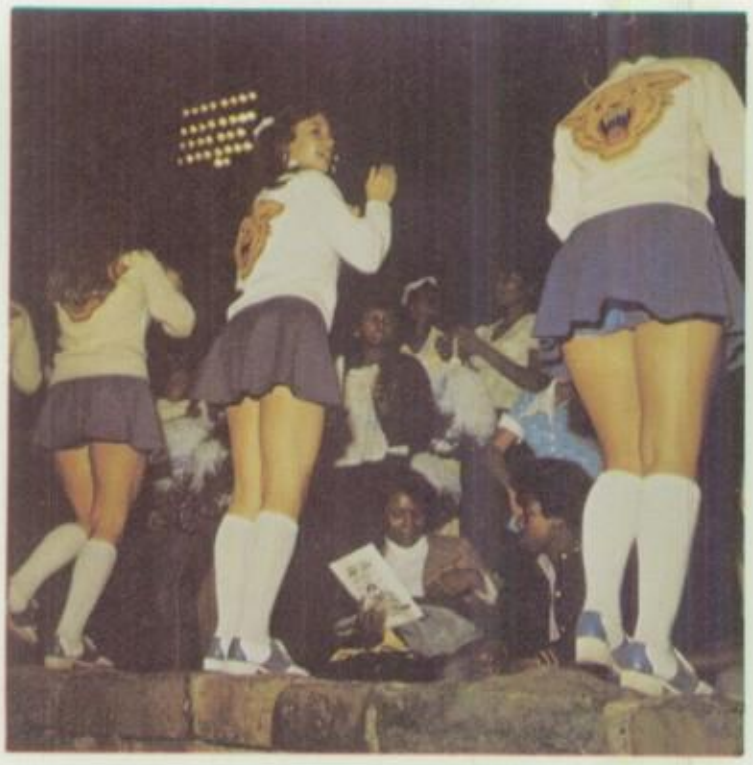
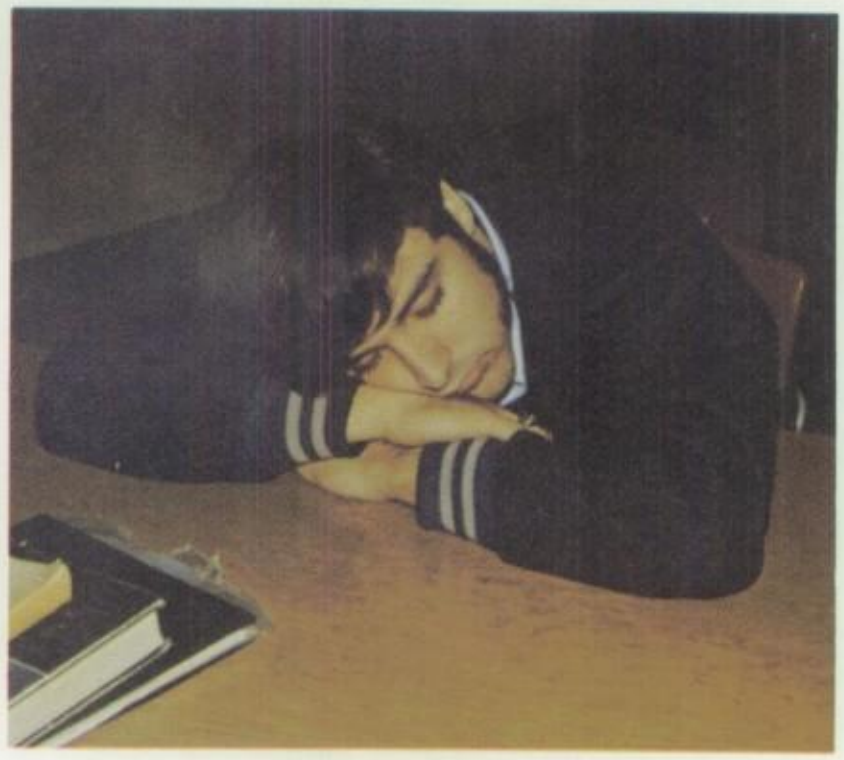
GARINGER HIGH SCHOOL
CHARLOTTE
NORTH CAROLINA
VOLUME LXV

We met.

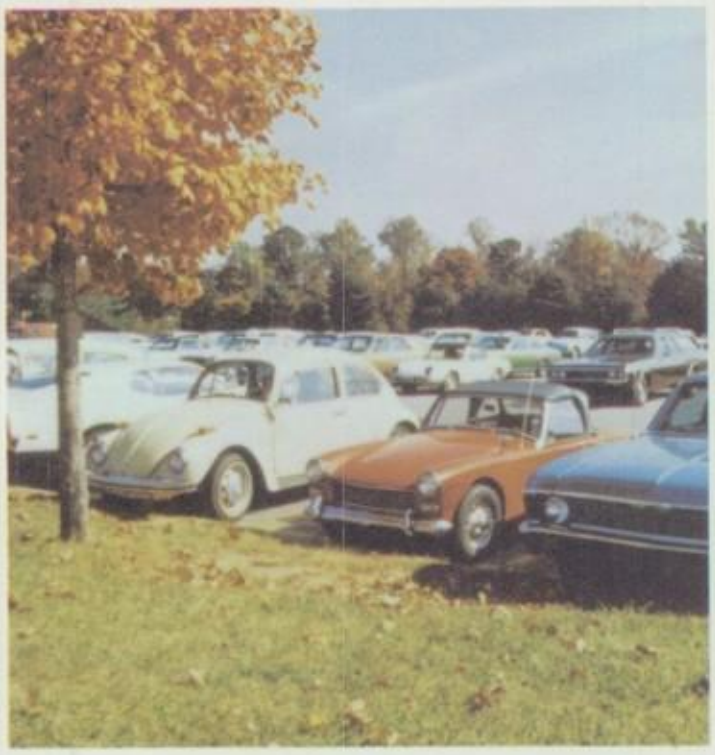
We reached out and
found each other.



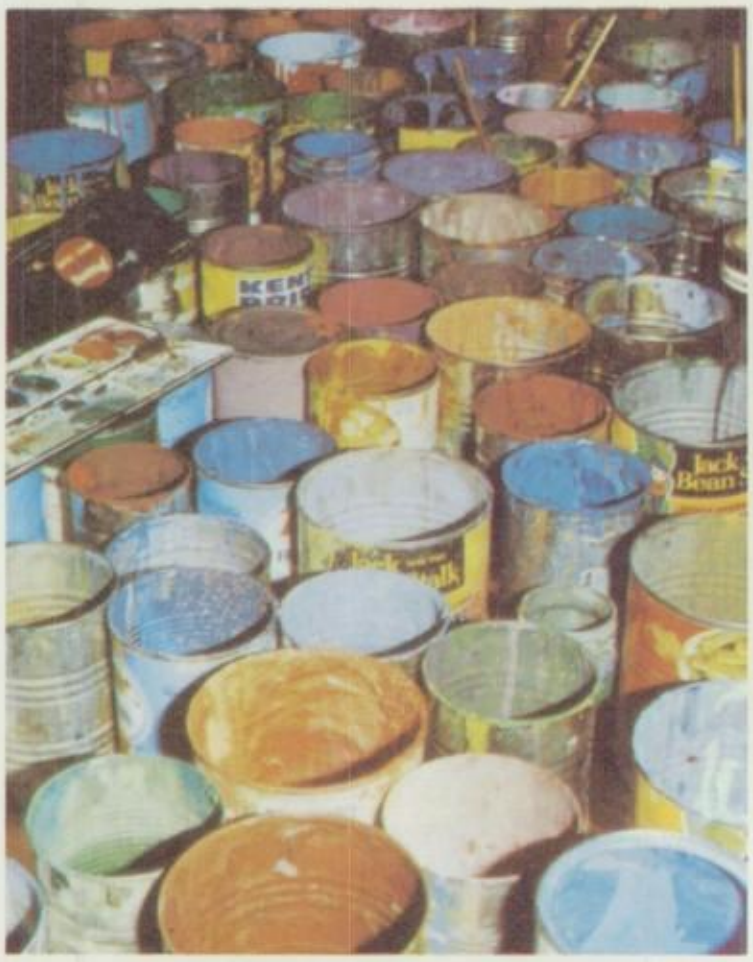
We cared.



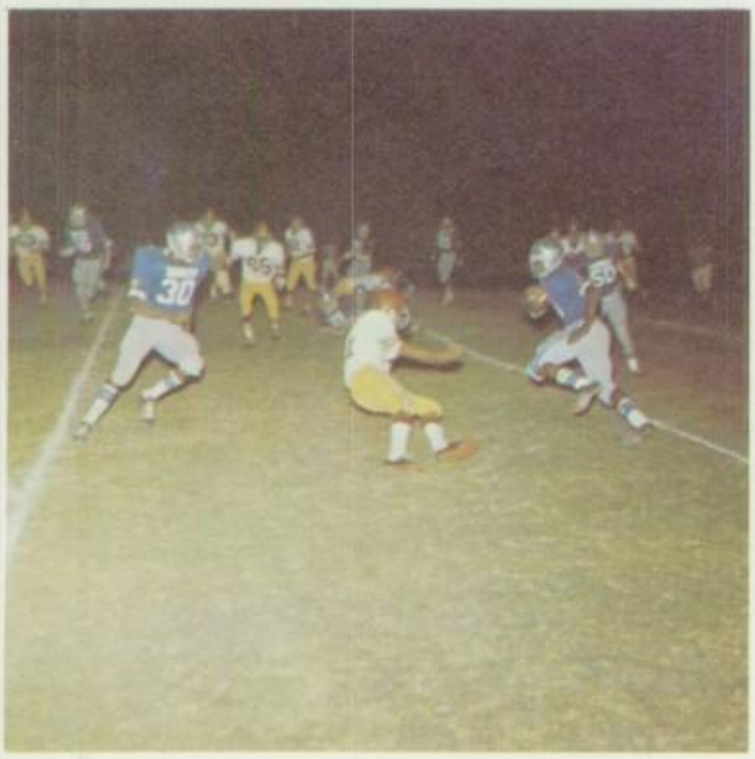
We shared.

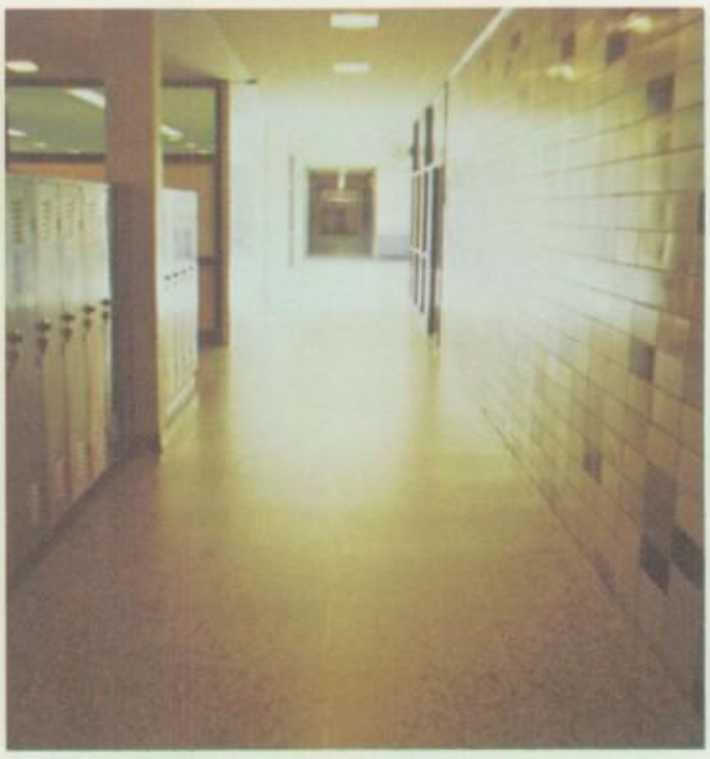


We grew



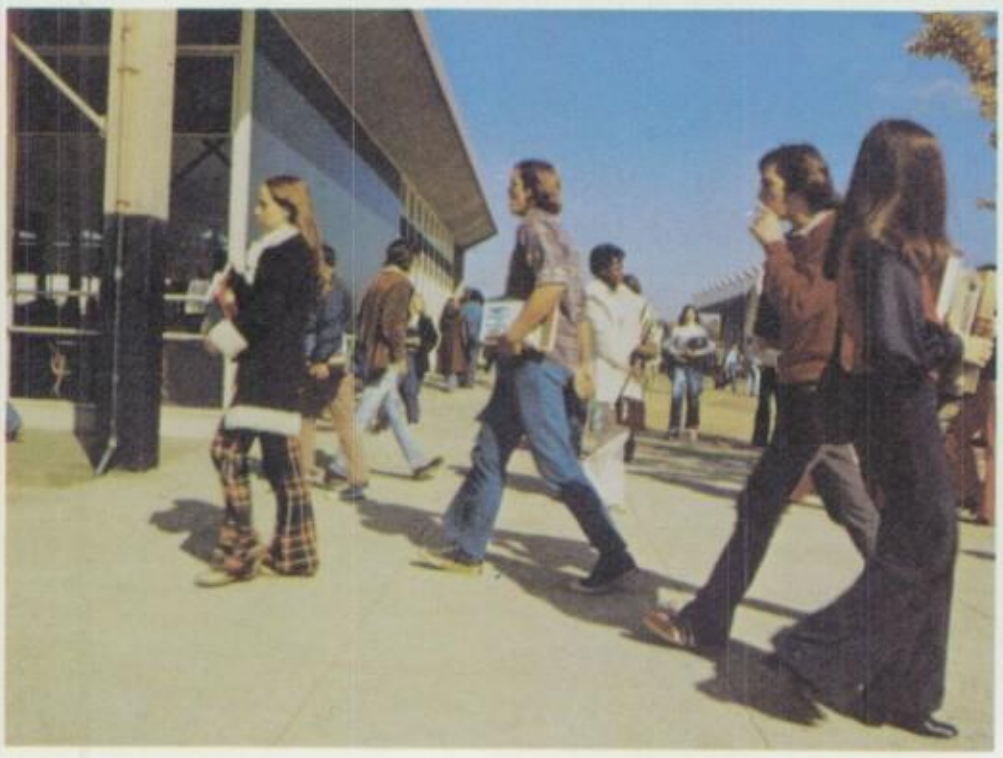
Together.

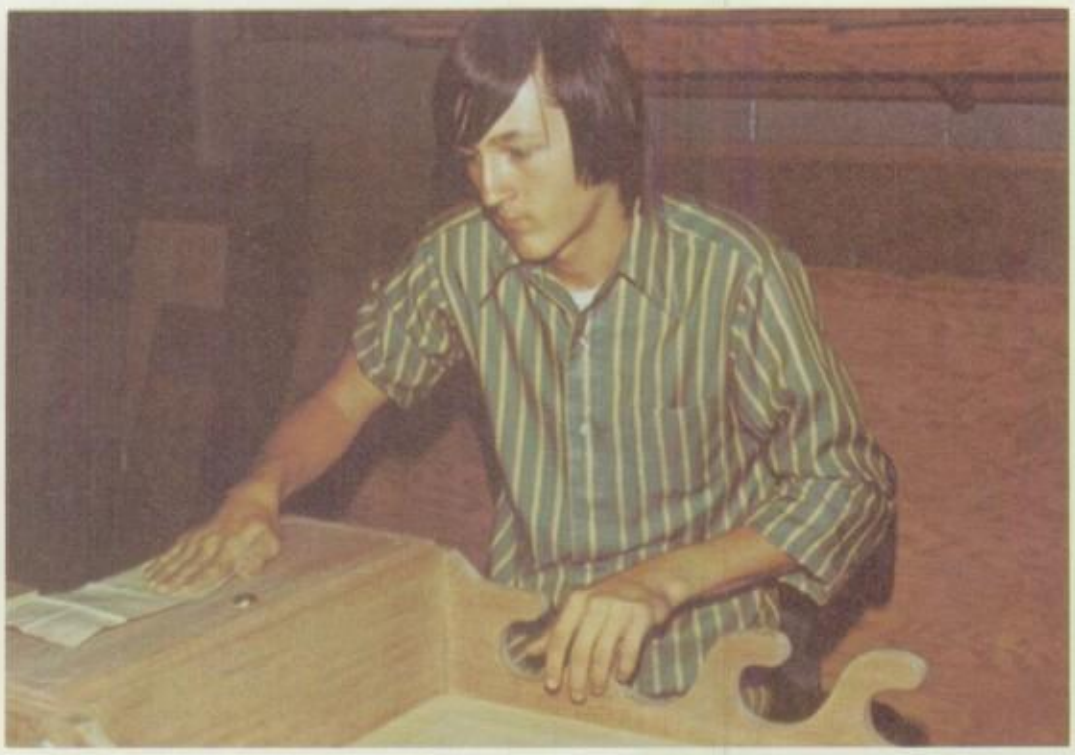


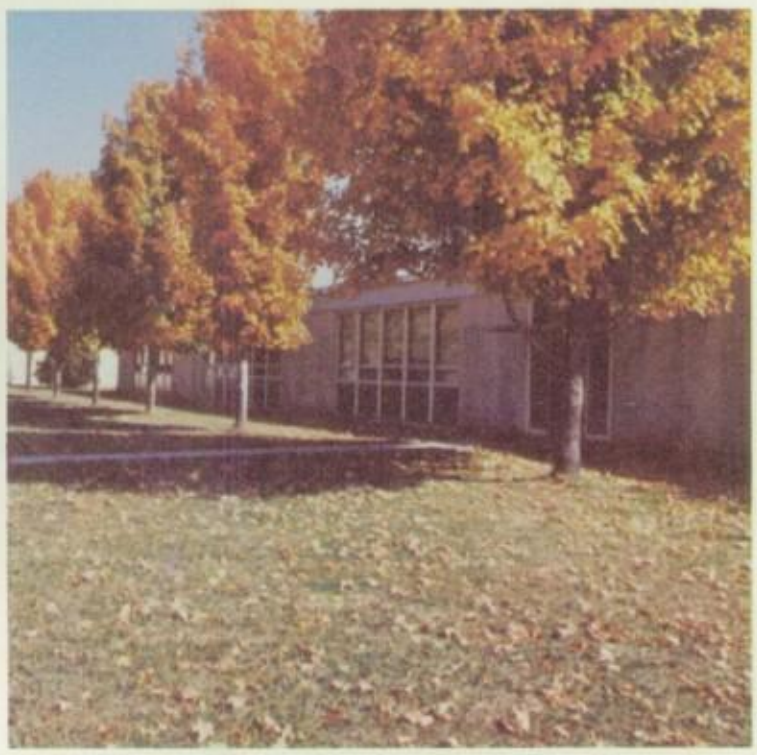


Now we've gone our separate ways, but no regrets.

Maybe tomorrow
we will rediscover
each other.







If not, at least
for a time,

We were.

Faculty

Mr. Cansler Appointed New Principal

Mr. Richard Cansler

Students and faculty were sorry to lose Dr. Jack Stern as Garinger's principal. Dr. Stern accepted a job as director of a program for the Charlotte-Mecklenburg school system and as eventual principal of Metro.

Mr. Richard Cansler replaced Dr. Stern as principal. He was formerly assistant principal. Mr. Cansler has done a great job and is well liked by everyone at Garinger. Mr. Bill Ross and Mr. Thomas Asbury were appointed as assistant principals and Miss Nan Abel was appointed assistant to the principal.

This year's administration expects a very successful year dealing with the problems as well as initiating new ideas for Garinger.

Aides Keep Garinger Running Smoothly

The office aides at Garinger are among the most qualified and indispensable members of staff personnel. Included in their daily duties are typing, accounting, and knowing the whereabouts of each student. They donate their free time doing special favors for students as well as teachers. Some also spend time as teachers in study halls.

Garinger's aides demonstrate daily their skill in keeping our school running smoothly.

The old slogan about mailmen holds true for counselors also. These staff members do their best to advise students, whether it be in further education or post graduation employment opportunities. They are always willing to listen, which is an important factor in counseling, and help a student make a significant decision about his future.

From *Julius Caesar* to *Canterbury Tales*

The English Department added two new members to its staff this year. They are Mrs. Bonnie Parrish and Mr. Sean McCormick. A new course has also been added to the curriculum. Literature in the Visual Arts is being taught by Mrs. Emerson, Mrs. Pace, and Mrs. Withers.

Mrs. Faye Deese expresses the main objective of the English Department as teaching each student to appreciate his language, teaching oral as well as written skill and finally teaching appreciation of the great accomplishments in literature and the nature of man reflected in it.

Looking Backward

The Social Studies Department received two new faculty members this year. Mr. James Holland, from Asheville, and Mr. Ronald Hardman, from Monroe, have joined the faculty.

Increasing use is being made of what faculty members call simulation games. These provide students with the opportunity to participate in a situation similar to that in which major decisions have been made in America's past. The faculty members set high goals in attempting to provide each student with a positive attitude toward life and the knowledge that will help him succeed in society.

It All Adds Up To...

The Math department of Garinger stresses personal needs when it gives each student the opportunity to study a course in math tailored to meet his requirements. In General Math "Learning Activities Packages", abreviated (LAPS) have been introduced to strengthen the Mathematics background and efficiency of the student.

Two new faculty members have been added to the math department. They are Mr. James Hobbs with a B.S. in both Math and Physics, and Mr. James Hardison, a graduate of Davidson.

Foreign Languages Teach Communication

Among the foreign languages offered for study at Garinger are: Spanish, French, German, and Latin. Mrs. Barbara Divine, who formerly taught at Quail Hollow, is now a French teacher here at Garinger.

One Spanish teacher expressed her interest in teaching students to be able to communicate in another language and appreciate and understand another culture.

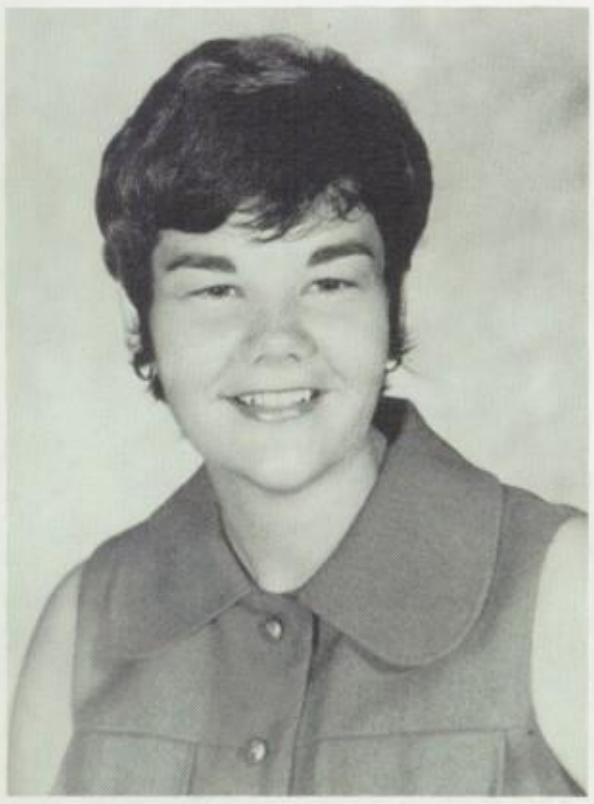
Library - A Valuable Asset to Students

Mrs. Helen Hollingsworth

Mrs. Sarah Parrish

Garinger's library contains a massive collection of reference and research materials, vocational information, fictional reading and audio-visual supplements to print. All of these serve as valuable resources for learning and instruction according to Mrs. Helen Hollingsworth, one of Garinger's three librarians. A coin operated Xerox machine has been installed at the entrance of the library this year. Its simple operation enables every member of the student body and faculty to obtain clear copies of printed materials.

The library staff expressed its ultimate goal as providing an atmosphere in which all of the library's materials may be used to advance the academic and personal development of each Garinger student.



Miss Sandra Smith

Bible-A Ray of Sunshine

Miss Janet Robinson

Miss Janet Robinson teaches Bible at Garinger. She hopes to encourage her students to receive the Bible not only as a great work of literature but as God's word, to be followed in their daily lives. Under Miss Robinson's instruction Bible classes are increasing each year with students who have the desire to study the Bible.

Art-Striving for Perfection

Miss Wilma King, Garinger's art teacher stresses perfection in art. Her students describe her as always looking for something new and unusual in her instruction. While natural talent comes to some students, it is Miss King's job to develop and inspire these beginning artists. Looking through Garinger's halls at the examples of art which her students have produced, it is clear that Miss King is very dedicated to her work.

Make Your Own Kind Of Music

Garinger's music department contains some of the most talented of Garinger's students and faculty. Whether your interests lie in band, orchestra, or chorus, there is a course available to meet your needs in the music department.

The Symphonic Band devotes much time to marching in Garinger's marching band. The Concert Band provides the opportunity for students to learn skills necessary to become good musicians.

The Girl's Ensemble offers advanced study to junior girls interested in music. The Choir is another advanced group of girls who spend time preparing for community programs. The Sandrettes is a small group of girls chosen from the Choir for their special talent in music. All of these groups make up a very talented group of musicians.

Success Achieved Through Enthusiasm

The Physical Education staff of Garinger is sometimes taken for granted. With the help of their teachers, students are mastering the skills involved in football, basketball, volleyball, track, and more.

The girls are especially lucky to find teachers who are willing to donate their time to intramurals as well as extramurals with tremendous enthusiasm.

D.E. Students Drive At Lower Speeds

Driver's Education is a required course that students enjoy taking. With the guidance of five staff members both in the classroom, through lecture and study, and on the road, through practical experience, students are learning the skills required to operate an automobile.

With changing traffic laws, including speed limits and road signs, the D.E. teachers keep students informed and produce competent drivers.

R.O.T.C. Develops Integrity and Character

A major change has taken place in R.O.T.C. this year. 1973-74 is the first year the course has been offered to girls. There are currently thirty five girls enrolled. The cadet staff, made up of third year seniors is required to assist in instructing first and second year R.O.T.C. students. R.O.T.C.'s long list of accomplishments includes instilling a love of country and a sense of pride in its accomplishments.

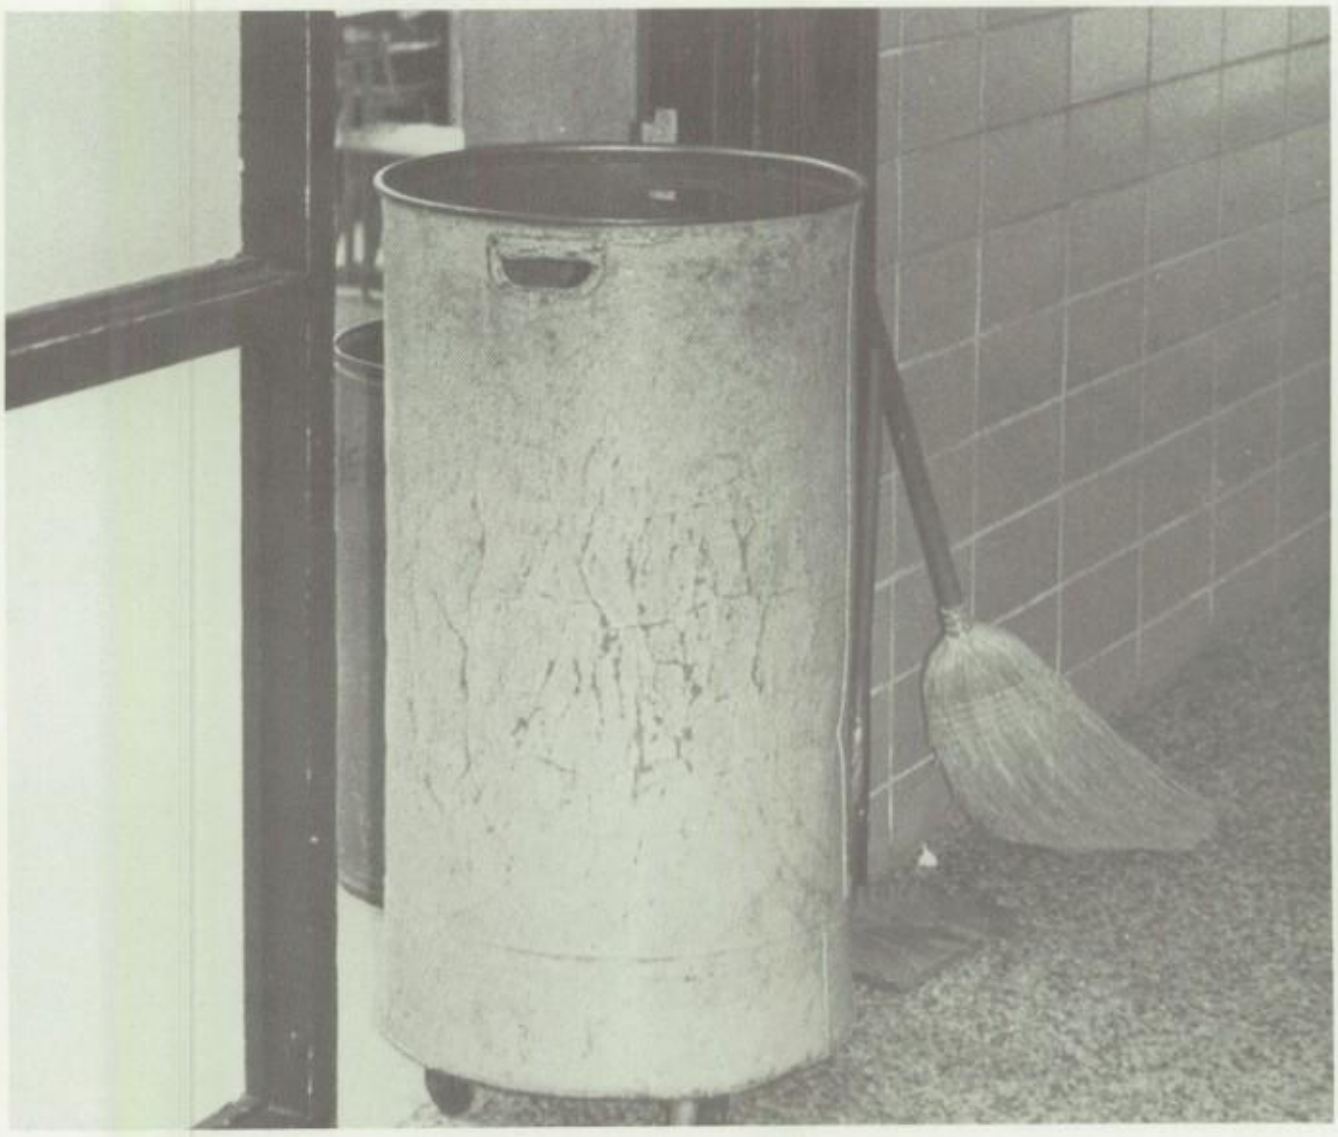
Staff Runs Into Problems of Energy Crisis



The cafeteria and custodial staffs of Garinger have had some extra problems to cope with this year. With rising food prices and shortages the cafeteria staff still prepares nutritious lunches for Garinger's student body.

The custodial staff has had its share of the problem of the energy crisis. They have donated extra time and energy to provide a warm school for students every morning?

Activities

The Executive Committee

The Garinger High School Student Council began this year almost half the size of previous councils, but with the hope of becoming one of the most effective in years. One of the first projects of the Executive Committee was a school wide election of its homeroom members. This helped to make the council smaller; therefore more effective. To start the year off the student council held a cookout for the teachers before the opening of school. As has been a tradition in previous years, the student council sponsored the big brothers and sisters in sophomore homerooms. The Black and Blue pageant was one of the student council's more enjoyable projects. At Christmas the Student Council sponsored some projects which included a Christmas janitors fund, decoration of homeroom doors, a drive for the Parson of the Hills Christmas fund and a project in which students made stockings stuffed with candy for teachers. Activities planned for later in the year are a spaghetti supper, the Miss Blue and Gray pageant, and a sock hop.

Annual Staff Terrorized

This year the Snips and Cuts staff started the year off with a loss of several staff members due to schedule conflicts and change of school assignment. However, despite this loss, the staff has worked quite effectively with Ronny Smith and Chuck Baker keeping up with the Sports and Deena Cantrell and Lorena Hawkins keeping us up to date with what Student Life is like at Garinger. Amy Rodgers and Kathy McCorkle have covered the Features and Myra Panther and Kathy Holt the many and varied Activities of Garinger's student body. Debbie Fultz, Debbie Estes, and Emily Flowe have had the exciting task of combining pictures of 2100 students along with some casual shots to come up with a Class Section. Patti Glenn is responsible for the new and different Faculty Section and Lisa Laney has kept track of all the money that it takes to produce an annual. And Cindy Maag, this year's editor, has tried to remain calm and keep her sanity amidst the chaos.

Two Editors Make a Better Staff

Mrs. Bonnie Parrish led the Rambler Staff in a successful year of publishing the school newspaper. The Rambler is a means by which the students can voice their ideas before the school. It also serves the faculty, student body, and the community by recording the events and features of Garinger High School.

The Rambler takes part in all activities of the school by publishing them. Some of the projects this year were greetings to fellow students, and a Valentine queen contest held in February.

The co-editors this year are Sam Fulwood and Robin Cuthbertson. They seemed to make seventh period in room 115-A more enjoyable and successful.

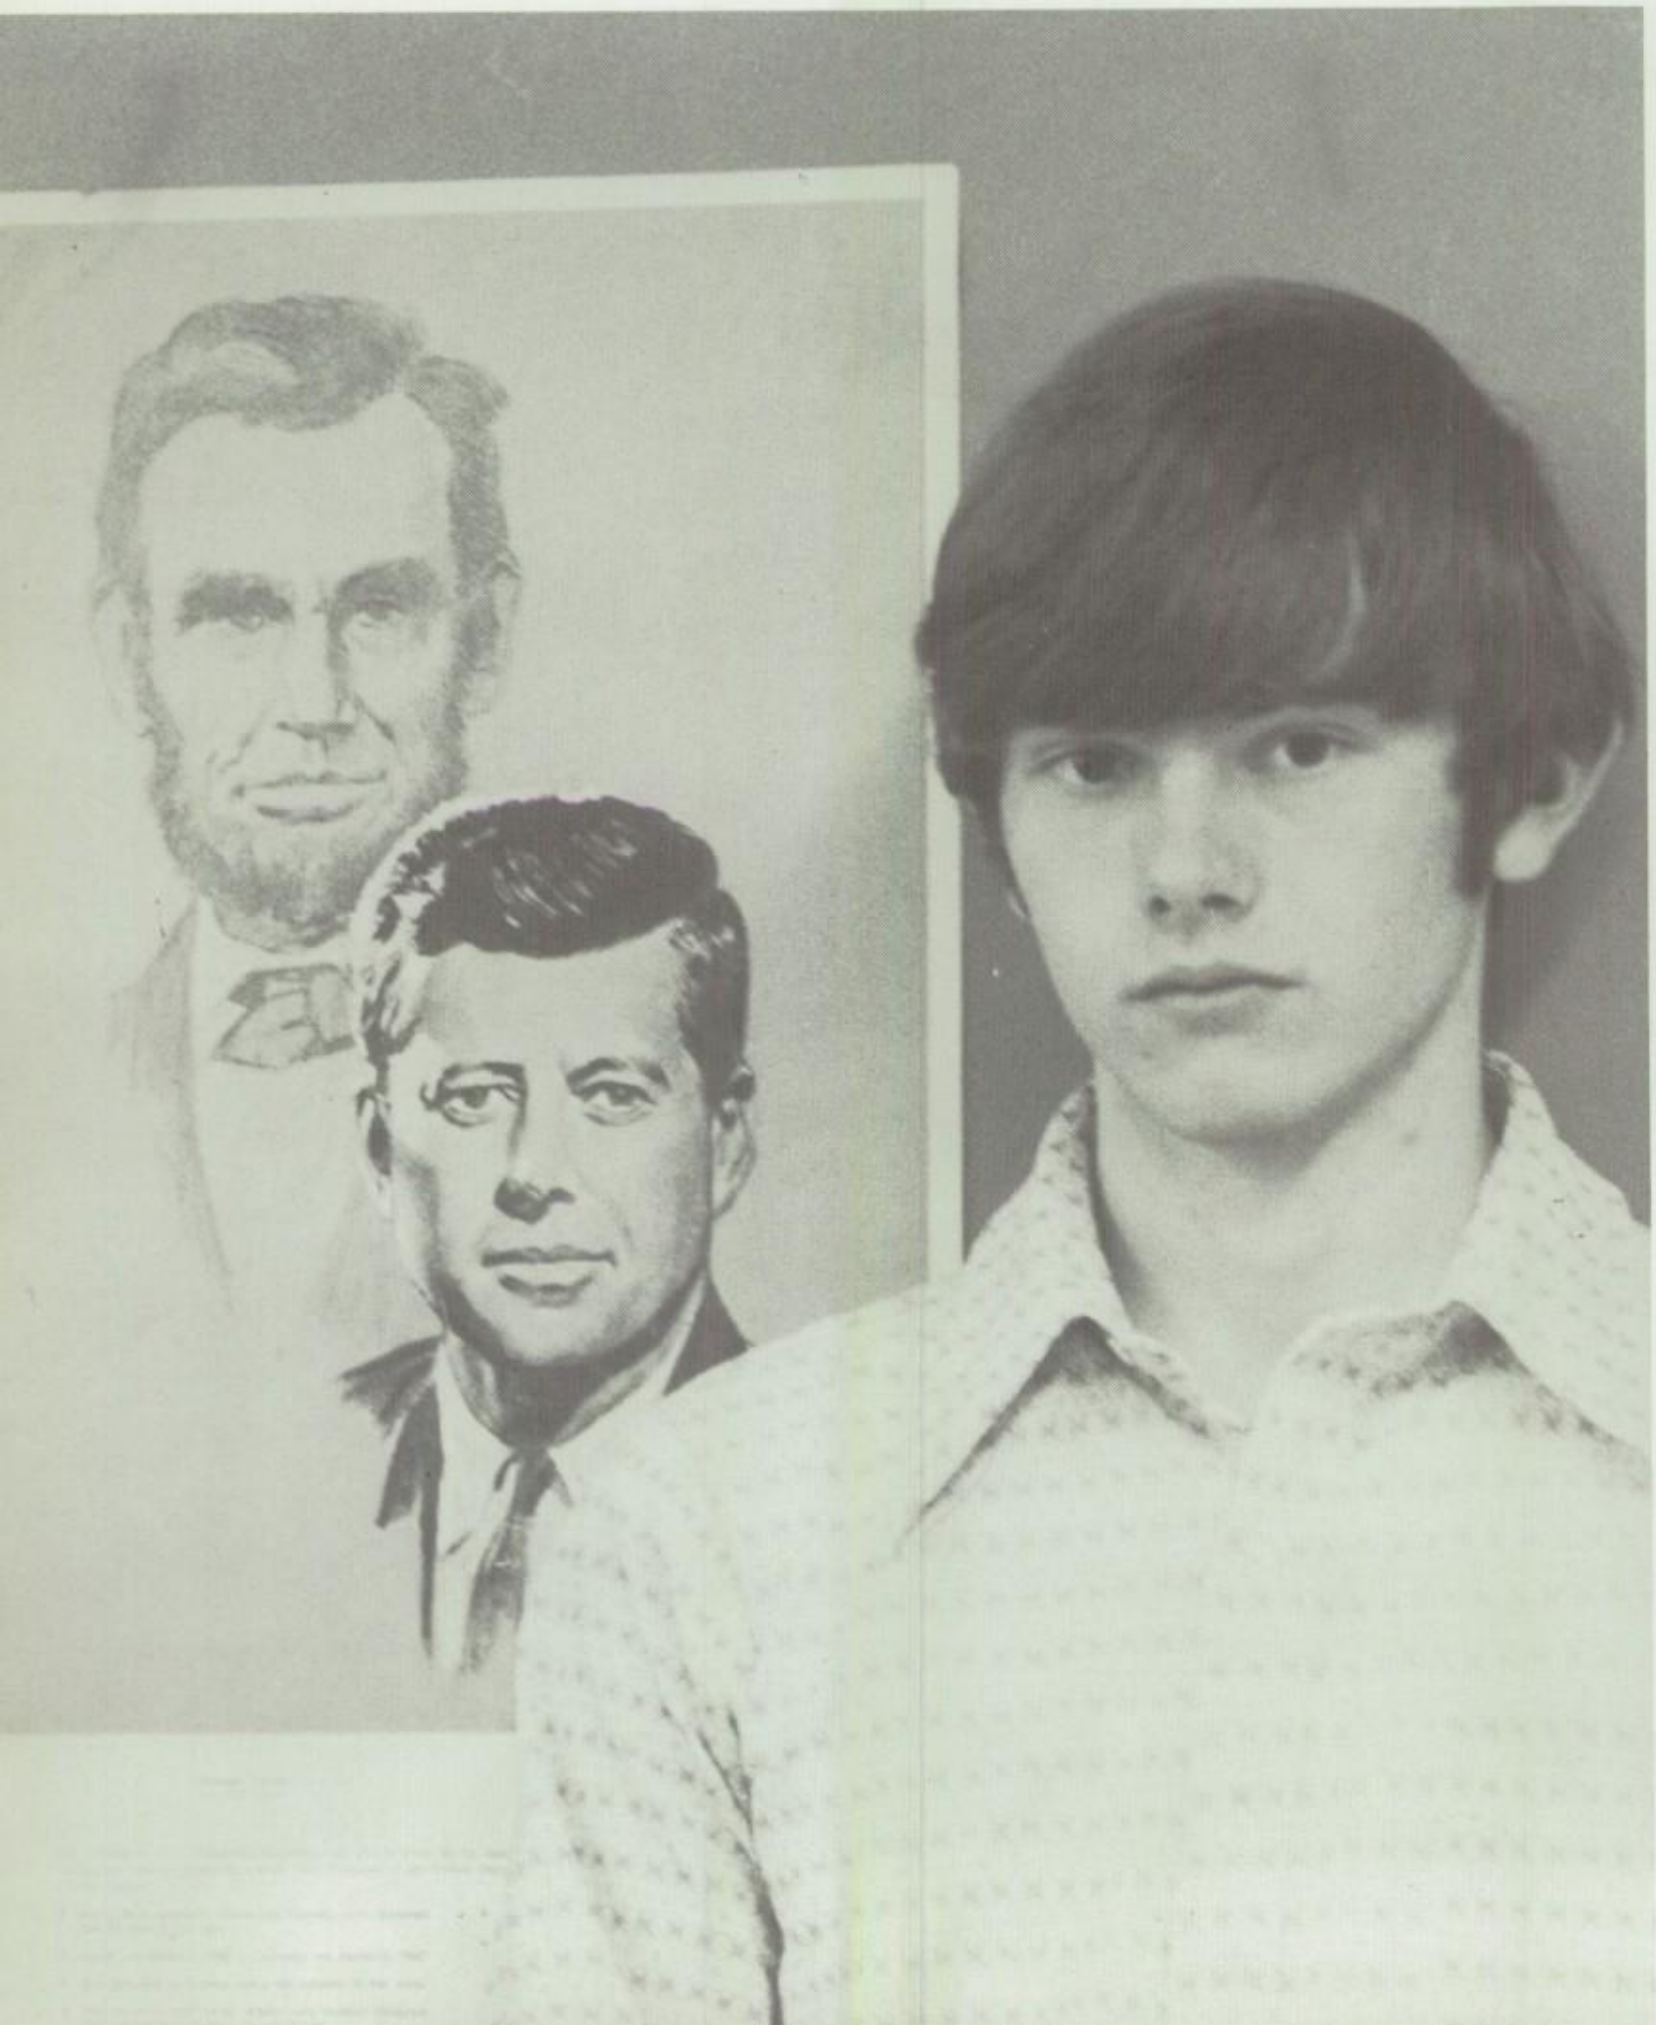
Key Club Builds Leadership for the Future



What They Don't Do - Isn't Worth Doing

This year the Garinger Key Club has been involved in, or sponsored a wide variety of things. These projects ranged from providing personalized memo pads for the Garinger faculty to sponsoring a city-wide Bike-a-thon for Diabetes. Also, they held the annual "Battle of the Bands", helped purchase a video tape recorder for the school, contributed $350 to the Library to buy books, provided corsages to the cheeerleaders and lettergirls for all the football games, and published a school directory.

In supporting their International Scheme and Objectives Program, "Commit Yourself," they undertook such long-range programs as recycling 15 tons of scrap metal for an environmental agency, helped needy families at Thanksgiving and Christmas, and sponsored a "Buddy Program" with Boy's Town.

One of the highlights of the year was their hosting of a two-state convention here in Charlotte last March.

All-in-all, they have lived up to their motto, "WE BUILD."

Mr. Johnson, advisor; Sherrill Baucom, Sweetheart.

Keyettes Sell Candy

The Keyette Club is a service organization with activities planned throughout the year beginning with a teachers' tea in August. This club supports the Soccer team and participated in the Diabetes Bike A-Thon. The club sold candy as a money raising project and will assist in the Key Club Convention in the spring.

One of the most successful projects of the year was a Halloween party given at a church where the little kids could have a good time playing around with the spooked up Keyettes. Games were organized by the Keyettes and refreshments were served.

Robin Cuthbertson, along with the advice of Mrs. Fitzsimmons, was able to lead the club in a successful year of activities. Although the club is one of the newer clubs the response from the membership drives is growing.

GGS Boosts School Activities

GGS is a club organized to boost all school activities. They help others while they promote better citizenship at school. GGS has supported the football team by painting posters and signs for each home game. At homecoming GGS was really busy. They sold Chrysanthemums at the game and antenna knobs for the car caravan. The spirit chain displayed at the homecoming game was a product of GGS.

As far as service goes, GGS has really shown some initiative this year. At Thanksgiving they provided a needy family with a turkey dinner and at Christmas they did the same, only this time they gave presents to each member of the family.

The annual Powder-puff football game with Centrusa ended in a proud victory for GGS.

Centrusa Suffers Injuries on Powderpuff Game

This year Centrusa has been involved in many activities that served not only the school but the community as well. Some of these activities involved collecting money for the Heart Fund, telephoning for DTSA, supporting the Parson of the Hills program, bringing candy for the WAYS Halloween project, and providing food for a needy family at Thanksgiving.

Amid the variety of service activities, Centrusa finds time to enjoy themselves with a fashion show, Centrusa-G.G.S. sports activities, and a trip to the beach.

Centrusa Officers: Judy Sansbury, President; Taryn Morgan, Vice President; Faith Hathcock, Secretary; Joan Simpson, Treasurer; Cindy Rayner, Student council Representative; Nancy Stephens, Rambler.

Adelphians Are Eager for New Members

The Adelphians, a sophomore club, is designed to serve the school and the community. Along with the leadership of Mrs. Covington and Mrs. Boyd, Laura Logan, president, led the club in a successful year of service and social activities.

This year the Adelphians served the community by giving a Halloween party at Alexander Children's Home and by providing presents for a needy family at Christmas.

Service projects for the school included selling programs at home football games, sponsoring Garinger's Most Eligible Bachelor Contest, and selling Valentine corsages.

A tea for new members was held on November 7th, after which a most dreaded initiation took place. After these members learned the responsibilities of being an Adelphian member, the old members were honored with an outgoing tea in December.

DECA Leads Youth to Future Careers in Marketing and Distribution

DECA is a program of youth activity relating to Distributive Education. It is designed to develop future leaders for marketing and distribution. It sometimes helps students to realize the talent that they have in these fields. DECA promotes an understanding and appreciation for the responsibilities of citizenship in our free, competitive enterprise system.

The Garinger D.E. Club is fortunate this year to have a student who has been elected to a district office. Tom Higgins, who is the Garinger President, was elected Parliamentarian of the District.

The clubs various activities include arrangements made for the elderly at Wesley Methodist Home, selling candy to raise money for club functions, a district contest held in February and a State Leadership Conference in Winston-Salem.

German Club Visits Oktoberfest

The German Club at Garinger consists of interested students of German classes and other students outside of the German classes. Under the leadership of Charles Vaughn, the German club has taken many German related trips. One of the most enjoyable trips of the club was a trip to the Oktoberfest at the Civic Center. To enhance their lessons, the German Club views films and has speakers regularly.

Wildcat Club Grows Larger and More Active

The main purpose of the Wildcat Club is to promote school spirit. The way they do this is by presenting Willie Wildcat at football and basketball games. They sell booster badges for football season and buttons during homecoming week. Many Wildcat T-shirts have been seen aound the school as a result of the Wildcat club.

The Wildcat club has really worked hard to promote the Wildcats. All of the members are really proud to be Garinger Wildcats.

Ecology Club Cleans Up

The Ecology Club consists of people interested in rehabilitating the environment now! This year's activities began with a successful aluminum drive, and a trip to Brevard College for an environmental study. Through the work of the Ecology Club a major Recycling Collection Center has been set up for all of Northeastern Charlotte. Another one of the projects involves the study of water pollution in Freedom Park Lake.

The main purpose of the Ski Club is to promote the safety and enjoyment of skiing. They have meetings several times a month throughout skiing season.

The Polar 'Cats, as they are called, have taken trips to the Appalachian mountains, Seven Devils and Sugar Mountain. Ski races between schools were held the twenty-first and twenty-second of January. Some racers from Garinger were among those going to the slopes.

The advisor of the ski club is Mr. Hilderbrand.

Garinger Produces a Literary Magazine

Under The Willow Tree is Garinger's literary magazine. This annual publication is edited and published entirely by students and faculty members of Garinger. Articles are submitted throughout the year and after much contemplation, some are selected for publication by the literary staff. Those selected are then sent to the art department which illustrates them. Finally they are published by the students under the direction of faculty members. This year's staff hopes that their publication is indicative of Garinger's literary talent.

Front Row: Shirley Miller, Debbie Estes, Patty Cheeck, Pam Taylor, Back Row: Leigh Tomberlin, Leslie Weideman, Robin Cuthbertson, Stephanie Daniels, Editor, Wanda Henderson.

Chorus Entertains

Garinger has three chorus classes open to all interested students. They offer preliminary vocabulary techniques and an hour of singing. The chorus combines with other singing groups in their performances at P.T.A., assemblies, and other functions. Three years in the chorus replaces one year of physical education, so if you are interested in music or singing, Garinger has an excellent music department.

Third Period Chorus: R. Grier, V. Ellsworth, V. Cooper, S. Miller, R. Howard, V. Lotharp, L. Marley, J. Hebert, L. Jones, A. Blanton, L. Edminston, P. Weaver, K. Cassada, L. Fortner, P. Little. Choir Has Outstanding Performers

Garinger's Choir, composed largely of seniors, is an advanced group of selected singers carefully trained under the direction of Mr. John Sanders. These students spend many hours preparing for their many engagements, which include assemblies, festivals, concerts, and contests. The Choir is accustomed to receiving high ratings in competition with other outstanding chorus groups. The Choir has succeeded in maintaining Garinger's never-ending reputation of outstanding performers.

A Select Group of Singers

Nine girls, chosen by auditions from the choir for their special musical talents, combine their voices to form the Sandrettes. Many hours of hard practice on their own time have earned them numerous singing engagements at banquets, church services, competitions, concerts, and assemblies. Blending their voices into music has rated them superior. Putting their talents together, they provide enchanting entertainment.

Standing: Dean Rallings, Wanda McDaniel, John Miller, Libby Bass, Willie McCombs, Beth Steverson, Billy Allen, Kathy Cothern. Seated: Dickie Givens, Becky DeArmon, Mike Potts, Natalie McKnight, Clyde Sullivan, Willie Fleming, Judy Sansbury.

Girls' Ensemble Composed of Talented Singers

Members of Girl's Ensemble are selected by Mr. Sanders from Choruses the year before on the basis of the girl's abilities to sing and read music. However, girls not previously in Chorus have to audition. Over the summer the girls made their own dresses in pretty pastel shades. This year Girl's Ensemble has sung for the music club at Selwyn Avenue Presbyterian Church and has been visited by Mr. Harvey Winthrow, one of the leading music directors in Charlotte. Girl's Ensemble plans to sing in the Sunrise Easter service Easter day at Freedom Park with other Charlotte schools. Also plans are being made to go to Six Flags Over Georgia to sing and the girls are selling candy to help pay for this trip.

Bands and Orchestra Present PTA Programs

The Concert Band and Symphonic Band are distinct organizations without overlapping personnel. Each pursues the aims of music education through performance of music selected with the idea of acquainting the student with the broadest spectrum of music of merit from the past three-hundred years through the present. Membership in the Symphonic Band is based on ability, and usually is attained after the student demonstrates his abilities in the Concert Band during his sophomore year.

This year's Orchestra Concert Master is Kathy Holmes. She, along with Ina Jones, Pat Talbert, Leigh Tomberlin, Susanne Hendricks, Bruce Henderson, Nina Nance, Patty Smith, Cassandra Cunningham and Larry Staten are all members of the Youth Symphony of the Carolinas. The Orchestra this year has held several public concerts, PTA programs, and an orchestra festival in the spring.

Garinger is very fortunate to have such a fine and talented music department this year.

Larry Staten Leads Band

Drum Major Larry Staten

The Marching Band selects its members from the auditions of students enrolled in the Concert and Symphonic Band. The marching band appears at all home games and at every away game possible. One of the annual events of the band is to appear in the Carrousel parade. All this is a result of their long work and practice.

The uniforms worn by the members of the Marching Band are purchased through the hard work and literally years of time invested by the students. After their active marching season is over the members of the marching band go back to participating in their original groups.

Twirlers Win Titles

This year Garinger really has some experienced twirlers. These girls spent their summer at camps and at practices to improve their twirling ability. This constant practice is required just to keep up the physical skills and coordination required to twirl. The twirlers have participated in every appearance of the Marching Band. They also entered and won trophies in team twirling competitions. They won first place in the Carrousel contest. This year's feature twirler is Dawn Phillips.

The Lettergirls are an elite group of girls who act as a show group and service organization for the school. Positions are filled through auditions from interested rising Juniors and Seniors. Audition scores are based on appearance, grooming, grace, school spirit, apparent sincerity of purpose and marching skills. The Lettergirls perform with the Marching Band at football games, with the pep band at Basketball games, and serve as ushers at all departmental concerts. This year's head lettergirl is Wanda Henderson.

Auditions Are a Part of Being a Garingertown Player

The Garingertown Players is a club for those students who are talented and interested in drama and want to display this talent. Most of these students are members of the Drama classes at Garinger and spend many long hours practicing for their presentations. It's really not easy to be a Garingertown player. One must go through hours of auditions and must be able to memorize his lines. Hours of work go into these presentations, but when they are finished they have a professional touch.

The comedy show "Garinger Graffitti" was presented before the student body in December. It was a tremendous success.

Sitting: Kim Godwin, Doris Jackson, Joyce Miller, Karol McClure, Cindi Prevette. Kneeling: Cheryl McKnight, Cathy Layton, Voneda Knight, Cathy Fincher, Doris Ettman. Standing: Christine Leimer, Cheri Foushee, Delene Holloway, Jeff Hoffman, Cynthia Gordon, John Miller, Leslie Wiedeman, Jeff Arrowood.

Thespians Act Out All Phases of Drama

The International Thespian Society is an organization which honors those students who have met requirements set by the society in the field of theatrics.

The Garinger Thespians participated in the comedy revue, "Garinger Graffitti". Among their other various activities was a trip to a special interview of Barry Williams of the "Brady Bunch". This interview was for the Thespian troups in the Charlotte-Mecklenburg schools.

John Miller is this year's presiding president.

Seventh Row: Marilyn Brown, Robin Huskey, Mark Cashion, Sharon Phillips, Anita Singley, William McCombs, Norwood Walker, Sharon Hunter, Danny Williams.

The Garinger Red Cross Club works in conjunction with the American Red Cross as an international service club. Some of the projects undertaken this year include collection of Thanksgiving baskets to be distributed among the needy, distribution of favors at Memorial Hospital on Christmas Eve, Blood Drive, and a party for the elderly people at Green Acres Rest Home.

This successful year began with a record breaking Enrollment Drive. During the membership campaign the club collected $600.00. This is the largest amount collected in Mecklenburg County within the past twenty-five years.

Fashions Presented By Teen Board

Belk's and Ivey's Teen Boards are comprised of representatives from local high schools who act as liaisons between the high schools and stores on matters of fashion, fads, and shopping habits. Some of this year's Teen Board activities included support of a foster child, Christmas and Halloween Parties for children, commercials, and a Bridal Fashion Show. The Teen Boards are for the purpose of cultivating a feeling of good will and personal interest between these Charlotte department stores and the people of the surrounding area; to offer opportunity of training in modeling, good grooming, and other related interests to young people in high school.

Office Assistants... A Time Consuming Job

Office assistants should be thanked for the many small jobs that they do. They are chosen on the basis of their dependability, responsibility and a true desire to help others around the school. These students deliver bulletins, mail and answer the telephone in the office. Have you ever wondered how through rain and snow things keep running smoothly? Because of the office assistants who work very hard, things keep on going.

Gym Assistants Exercise Their Abilities

Full credit is not always given to Garinger's Gym Assistants. These girls, after already completing one year of P.E. choose to assist either Miss Hunter or Miss McGee in their classes. Their duties range anywhere from leading exercises to officiating the games that are played. Counting tennis balls, counting arrows, carrying in equipment, and locking up all the doors at the end of the day are only a few of the headaches that they go through. These girls should be well appreciated.

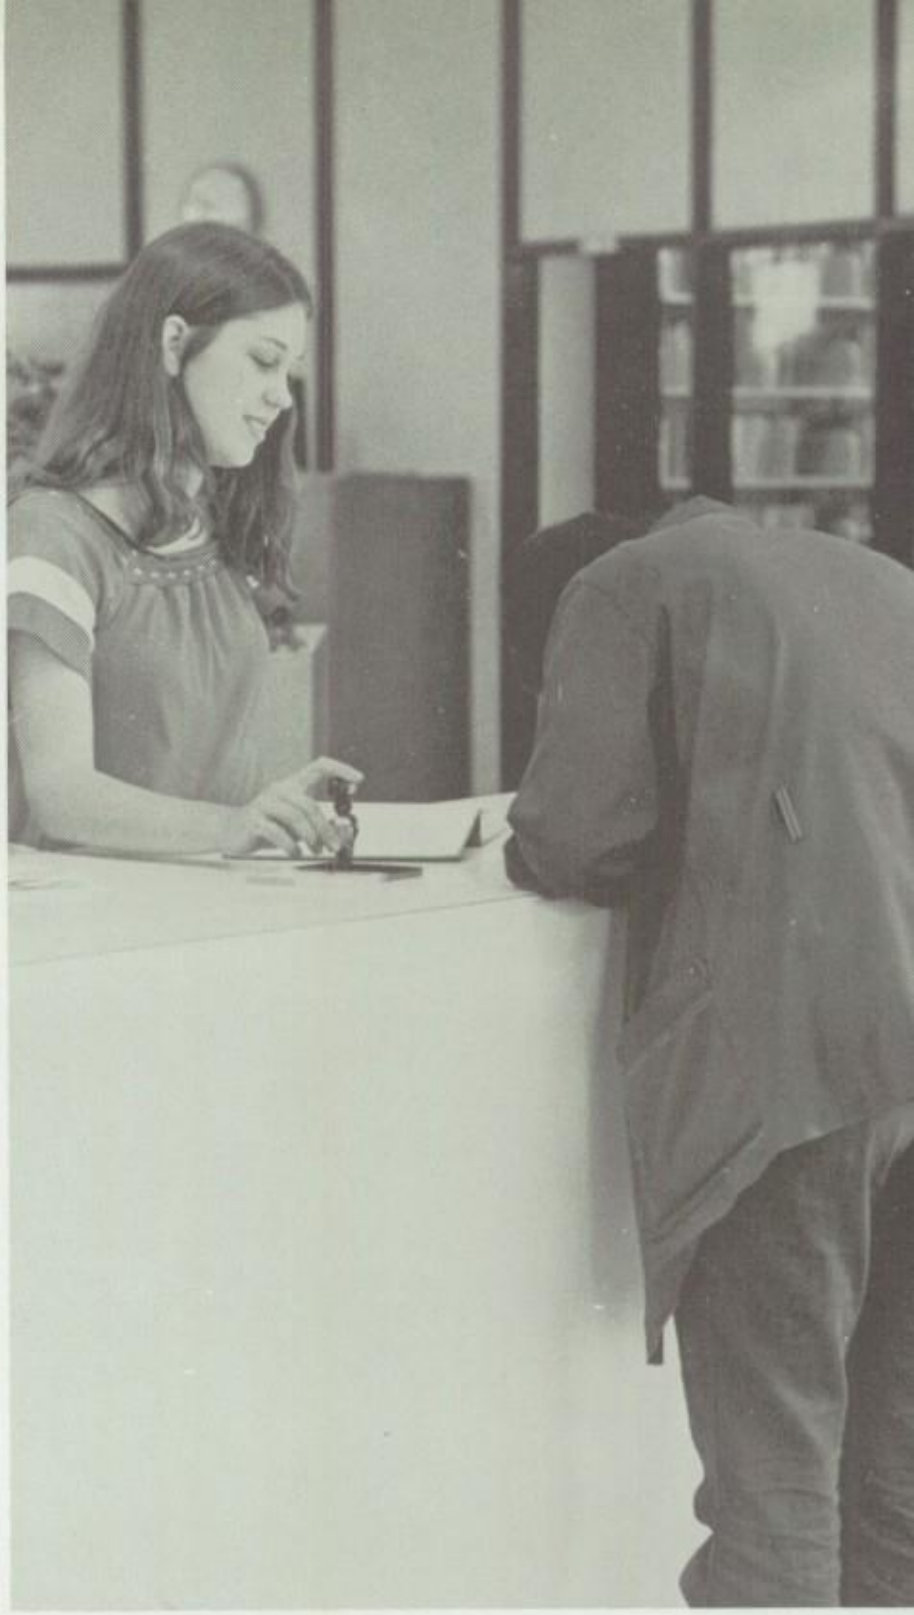
Library Assistants Have No Time for Reading

Without the aid of library assistants, the school's library program would suffer. Their main duty in the library is to work at the desk helping students check out and return books properly, helping the librarians organize and reshelve books, and doing other odd jobs in the library. Although these students receive no scholastic credit for their service, they do receive such benefits as meeting people and participating in the library routine.



Library Assistants: Row 1. Lauren Dupont, Valerie Perry, Terri Little, Roy Postell. Row 2. Cheryl McKnight, Patricia Talbert, Kim Griffin, Barbara Deese, Susan Jackson. Row 3. Debbie Helms, Lisa Smith, Kim Carpenter, Mary Clemmons, Debbie Richardson, Sherry Deese.

Mr. Hardison Keeps Interact From Breaking Apart

Interact this year has served the school and the community. They have been involved in many and various activities. At Thanksgiving, they helped to decorate the car used in the Carrousel Parade that the foreign exchange student, Claude LePine, rode in. A pretty legs contest was held by the Interact Club to see which club is endowed with the prettiest legs.The annual Interact versus Key Club Basketball game was held after the Garinger basketball season.

Disc Jockeys of the Future

The purpose of Radio Broadcasting is to provide an opportunity for students to become involved in the broadcasting industry.

The students visit local stations, receive instruction from the broadcasters themselves, and produce "The Wildcat Hour" on such stations as WGIV, WRPL, WIST, WGGC, and WHVN.

Students Wait In The Dark for Buses

More students are relying on the buses to get to and from school because of the energy crisis. Because of this the bus drivers have provided an important service not only to their fellow students at Garinger, but also to students of surrounding elementary and junior high schools. Bus drivers receive one credit for each year that they drive a bus and this takes the place of a first period. Much gratitude is owed to these safety conscious students who devoted their time and efforts and to Mr. Ross who supervises the buses and drivers.

R.O.T.C. Builds Leaders

The main purpose of the R.O.T.C. is to help develop the cadets' leadership potential, thus making him or her a better citizen. It is felt that this development will be useful in all walks of life, and is not restricted to the military.

This is the first year girls have been accepted into the program. To date the platoon has forty girls. The smart looking uniforms they wear were made by the girls from the material they bought from the profits of a cadet fund raise.

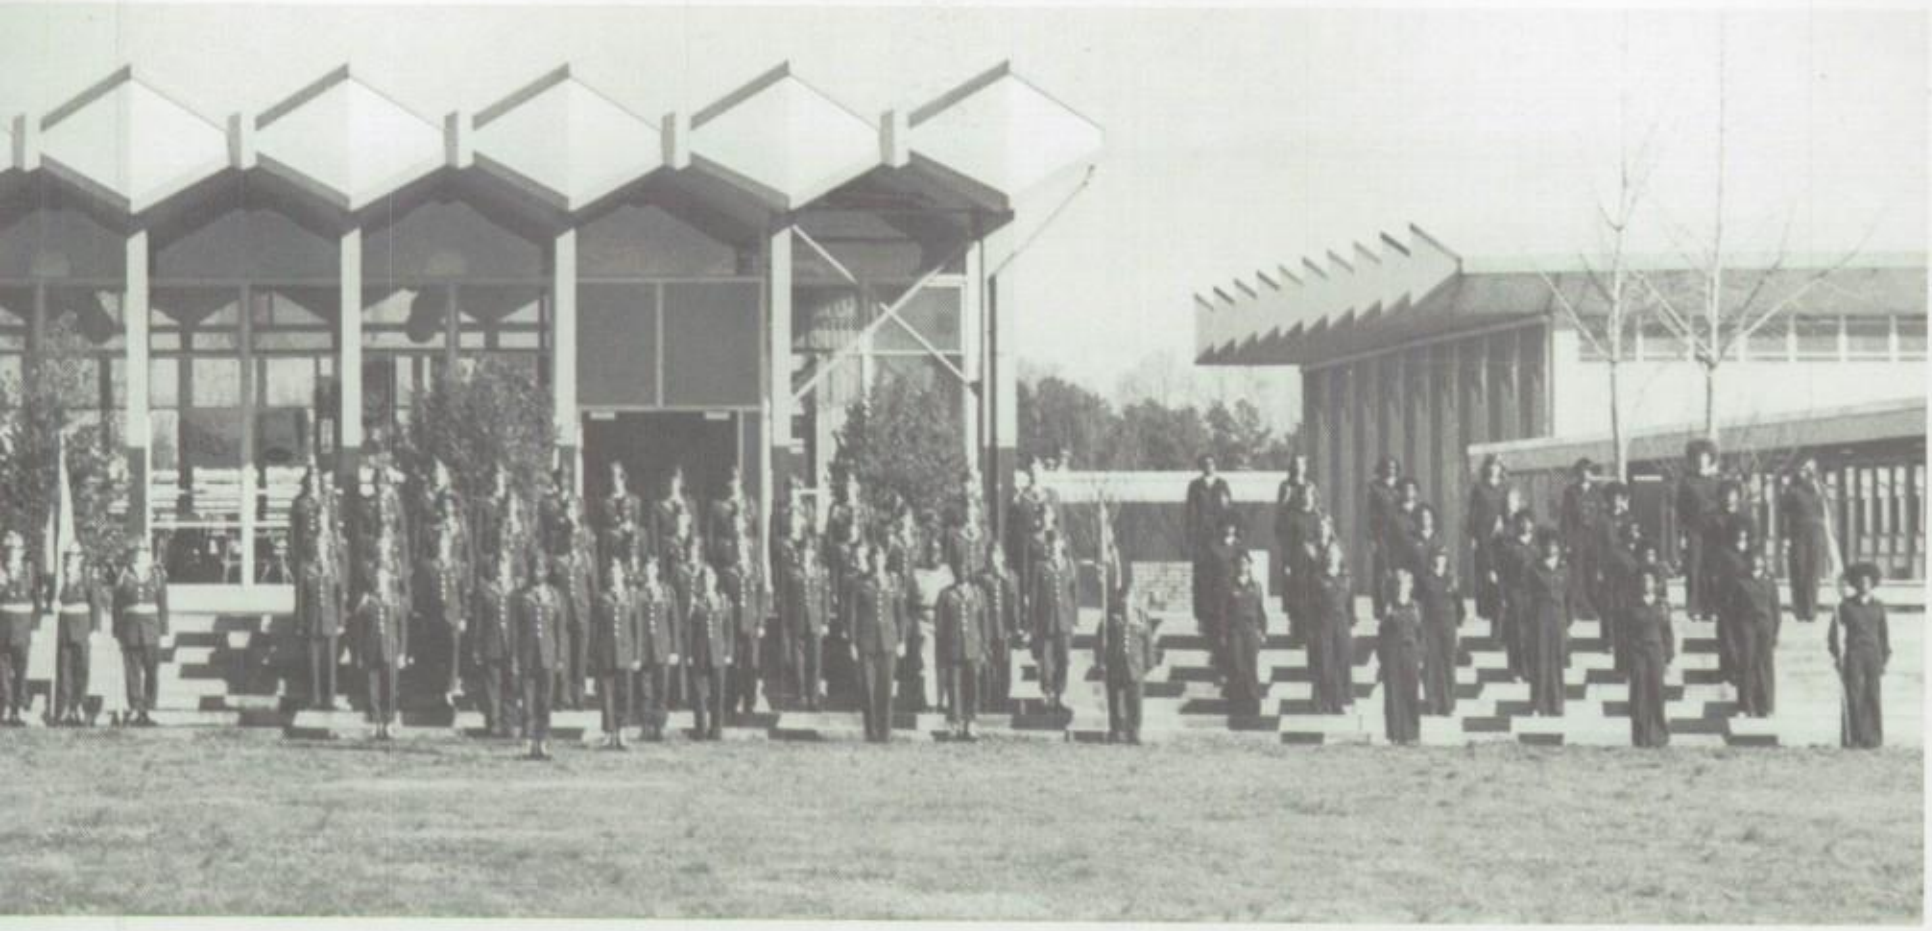
The Cadet Corps has the largest membership (170 cadets) it has had since it was established four years ago. The large enrollment authorized the program its second NCO. They were fortunate to find SFC Thomas Williams to fill this position.

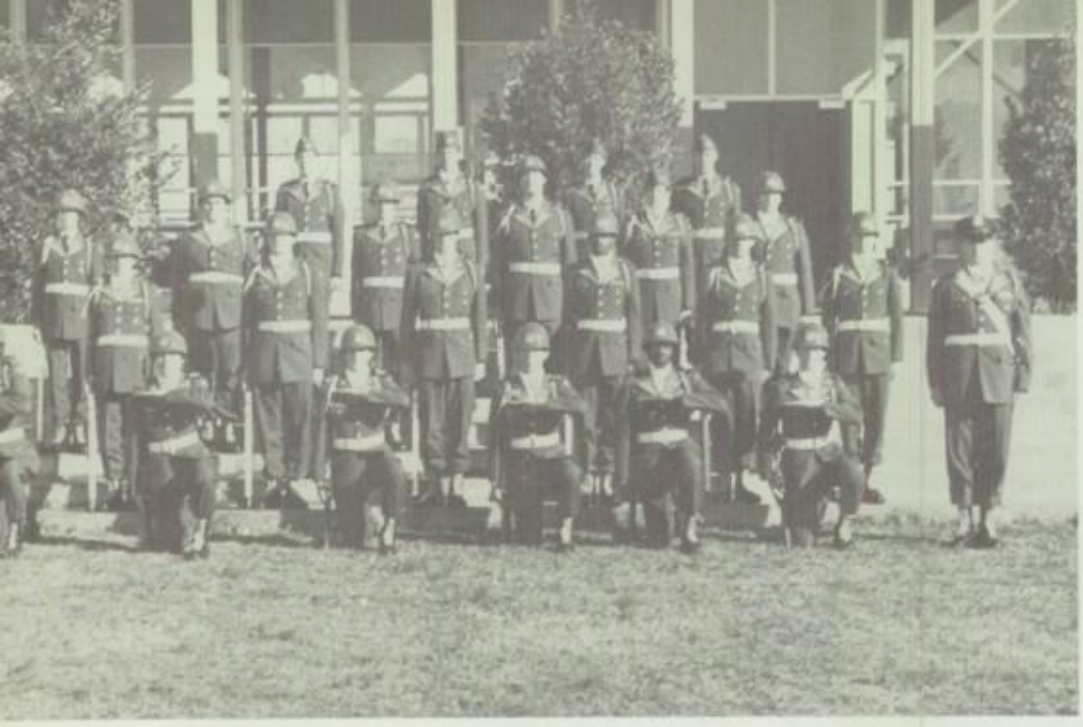
The Corps recently received a charter for membership to the National Fraternity of "Black-Jacks." This organization is sponsored by the "Pershing's Rifles," from Clemson University.

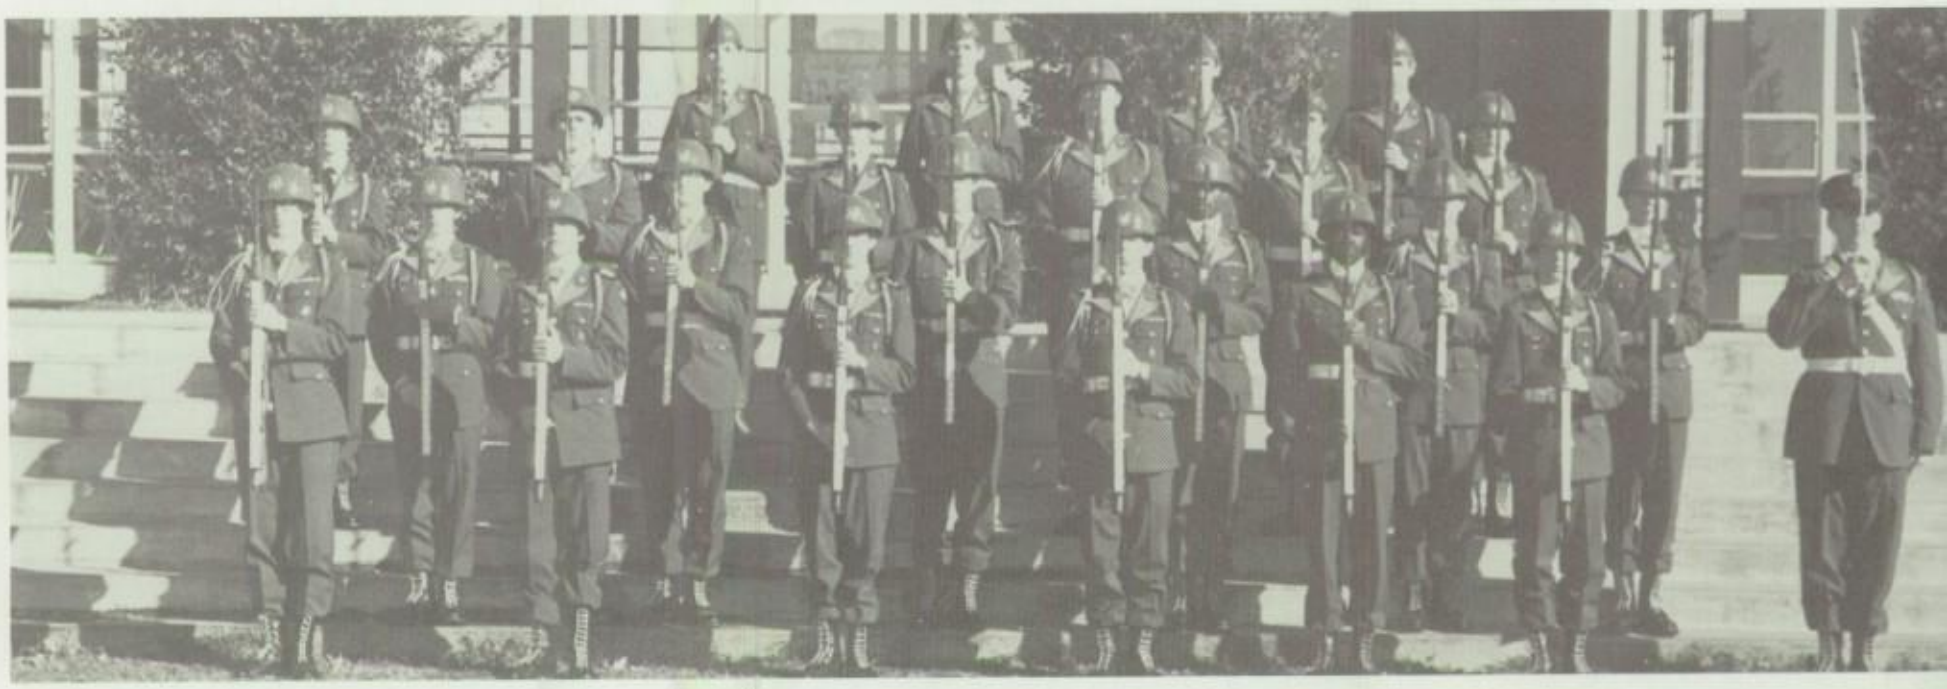
Classes are held seven periods a day. A formation of the entire cadet corps is held every other month. The Drill Team practices two or three times a week, while the Black Jacks meet two or three times a month.

The R.O.T.C. has taken part in many activities this year. They have provided guides and escorts for the District Teachers Meeting, and a Color Guard and guides at the Voice of Democracy Contest. The Drill Team has performed at half-time at one of the football games. They have provided guides and escorts for representatives from colleges and universities. They have also provided Color Guard and Drill Team for the Mint Hill, N.C. V.F.W. Veterans Day Ceremony. For their own enjoyment the Military Ball was held December 18, 1973.

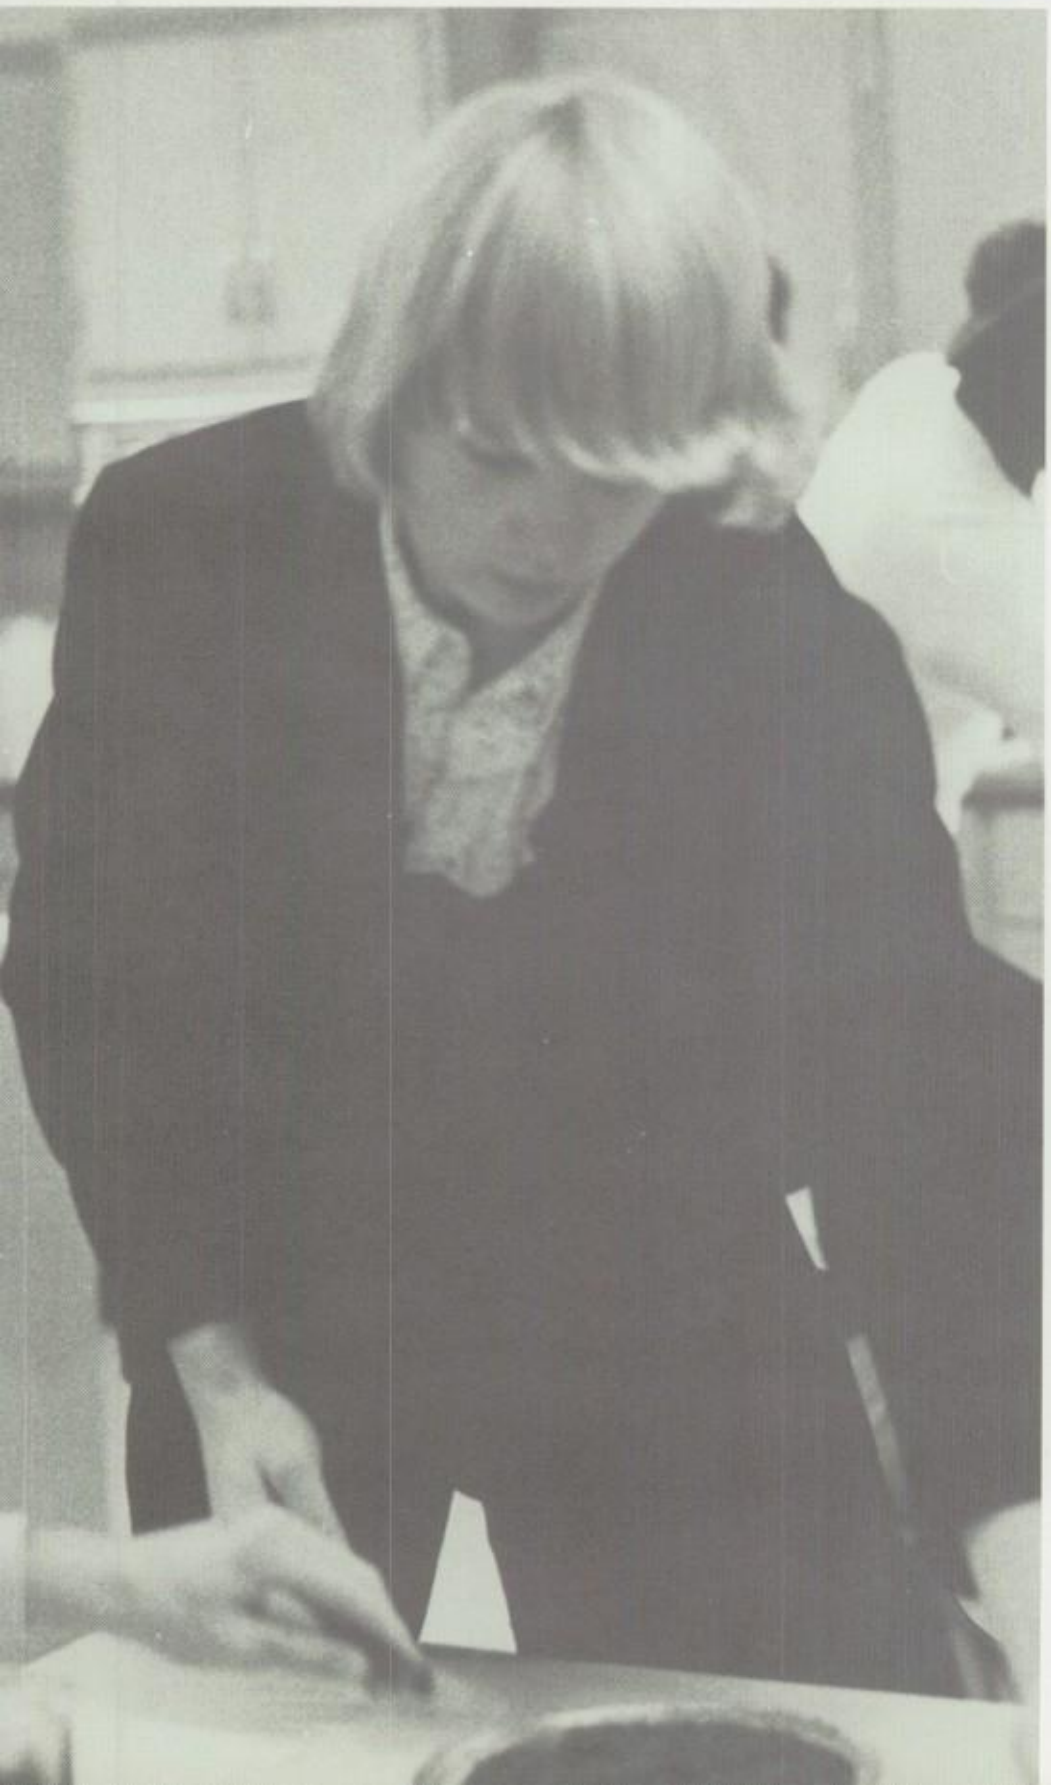
Among their remaining activities, the Drill Team will perform at Basketball games. They are due for the Annual Formal Inspection in April. A Field trip is planned to Ft. Bragg, N.C. in May and to end this year the R.O.T.C. will enter the Drill Competition in March.







Preparing for the Future



The members of HERO are interested in Home Economic Related Occupations. The activities that they are involved in go right along with what is being studied in class and are related to the areas in which the student may be employed. These areas could range anywhere from foods, clothing, child care, home furnishings, to health and health management.

HERO is involved in fashion shows, cosmetics, child psychology, and health occupations.

Row One: Wren Hurt, Patricia Patton, Johnnie White, De France Wall, Sabrina Jackson, Ann Marie Capps. Row Two: Doris Austin, Miss Frances Ryan, Janice Morris, Wanda Staton, Gail Brown, Barbara Carpenter, Steve Turner.

Future Home Economists

Cooperative Home Economics Occupations helps to prepare young people for future work in some field of Home Economics. Students in this program spend one period a day in a CHEO class and accumulate a minimum of ten hours of work experience every week. Depending on their aptitude and interest, students are employed in services related to the following fields: Home Furnishings, Clothing, Child Care, Health and Health Management, and Foods.

Row 1: Wanda Stanton, Wren Hunt, Steve Turner, Danny Moore, Doris Austin, Barbara Carpenter, Ann Marie Capps. Row 2: Gail Brown, DeFrance Wall, Johnnie White, Janice Morris, Sabrina Jackson, Frances Ryan, Patricia Patton.

Row One: Pamela Fowler, Regina Mitchell, Tangee Belle, Rebecca Phelps, Renetta Daniels, Barbara Smith, Kathy Parker, Mrs. Kramer. Row Two: Connie Bert, Linda Kent, Bub James, Donnie Butler, Ellen Jones, Kaye Morgan.

C. E. O. Group Goes to Shamrock Elementary

C. E. O., Cooperative Education Occupations, is a class designed for seniors interested in working with and helping young children at a nearby elementary school. Two hours daily are spent at work during which time the students help the teachers at the elementary school with filing or grading papers, preparing posters, or by helping a child or group of children with their schoolwork. Another hour daily is in class at Garinger. During this hour the students discuss their activities at the elementary school and study child development. The rewards are many for those students in CEO — two units of credit, a salary, and knowing that one has really done something to help someone else!

Cooperative Office Occupations, a business preparatory course for seniors, was begun in 1964. It combines classroom study in the mornings with on the job training in the afternoons. Members of this class belong to the C.O.O. club, which provides activities of both a social and vocational nature. The members of the Cooperative Office Occupations are given the opportunity to mature socially by working together and sharing experiences outside of the classroom.

The highlight of each year's social calendar is the annual Employer-Employee banquet honoring the employees of the Cooperative Office Occupations and their employers.

Members this year helped in recruiting new students for the 1974-1975 year by making their own colorful signs to be put up around the school. These and various other activities encourage students to join the C.O.O. club and to really enjoy themselves when they do.

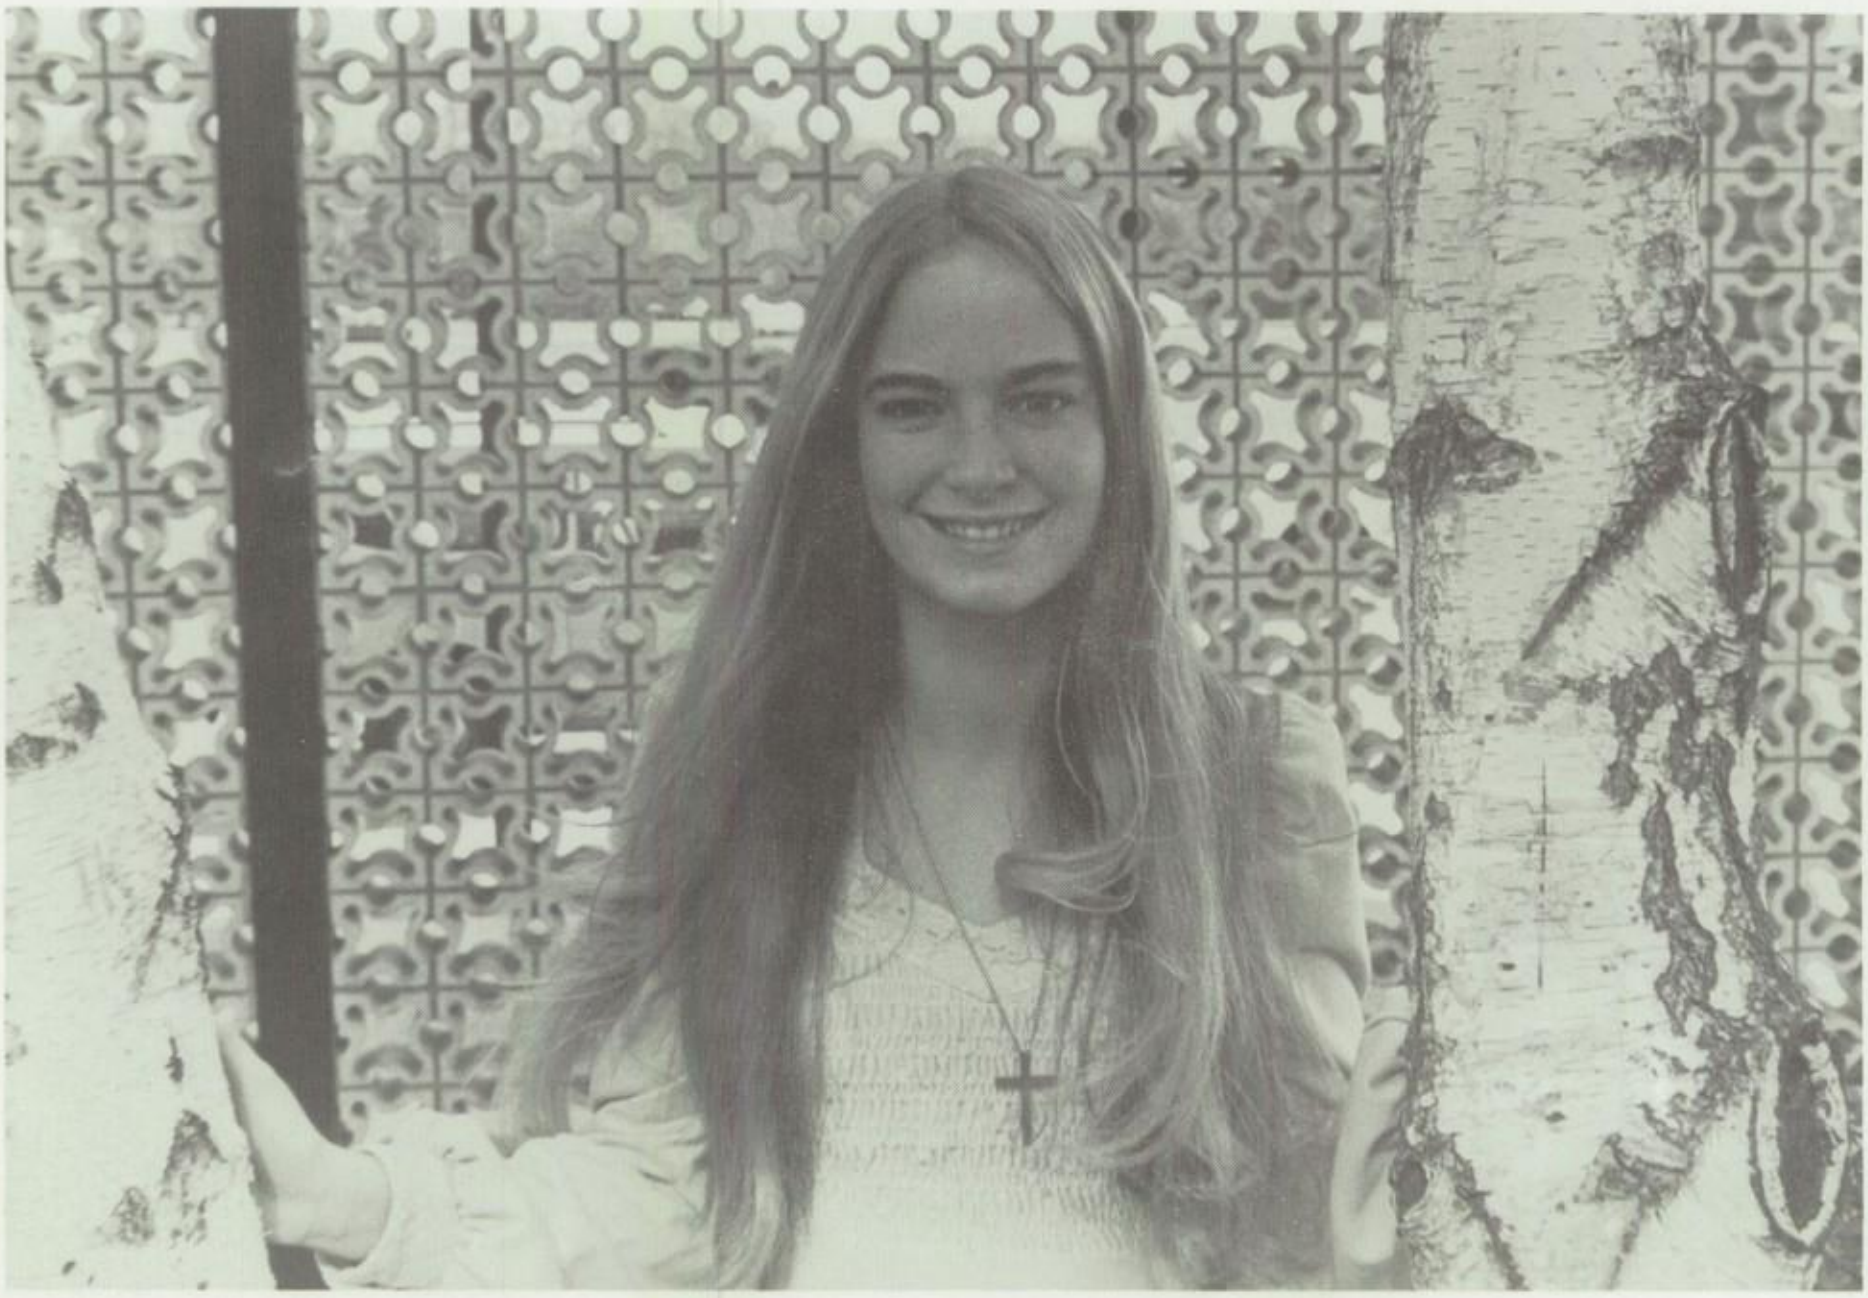
Judy Sansbury is Chosen Daughter of the American Revolution



Judy Sansbury was chosen this year to receive the D.A.R. Award from Garinger. She was chosen by the girls in her class. The award is presented every year by the Battle of Charlotte Chapter of the Daughters of American Revolution. The qualifications are: dependability, leadership, service, patriotism, citizenship, and scholarship.

David Glass Chosen for Superior Scholarship

The Harvard Book Award is given to a rising Senior by the Harvard Club of Charlotte. The award is given to a student who has superior scholarship and outstanding qualities of character. This award was presented to David Glass upon approval of the faculty, students, and principal of Garinger High.

Voice of Democracy Winner is John Miller

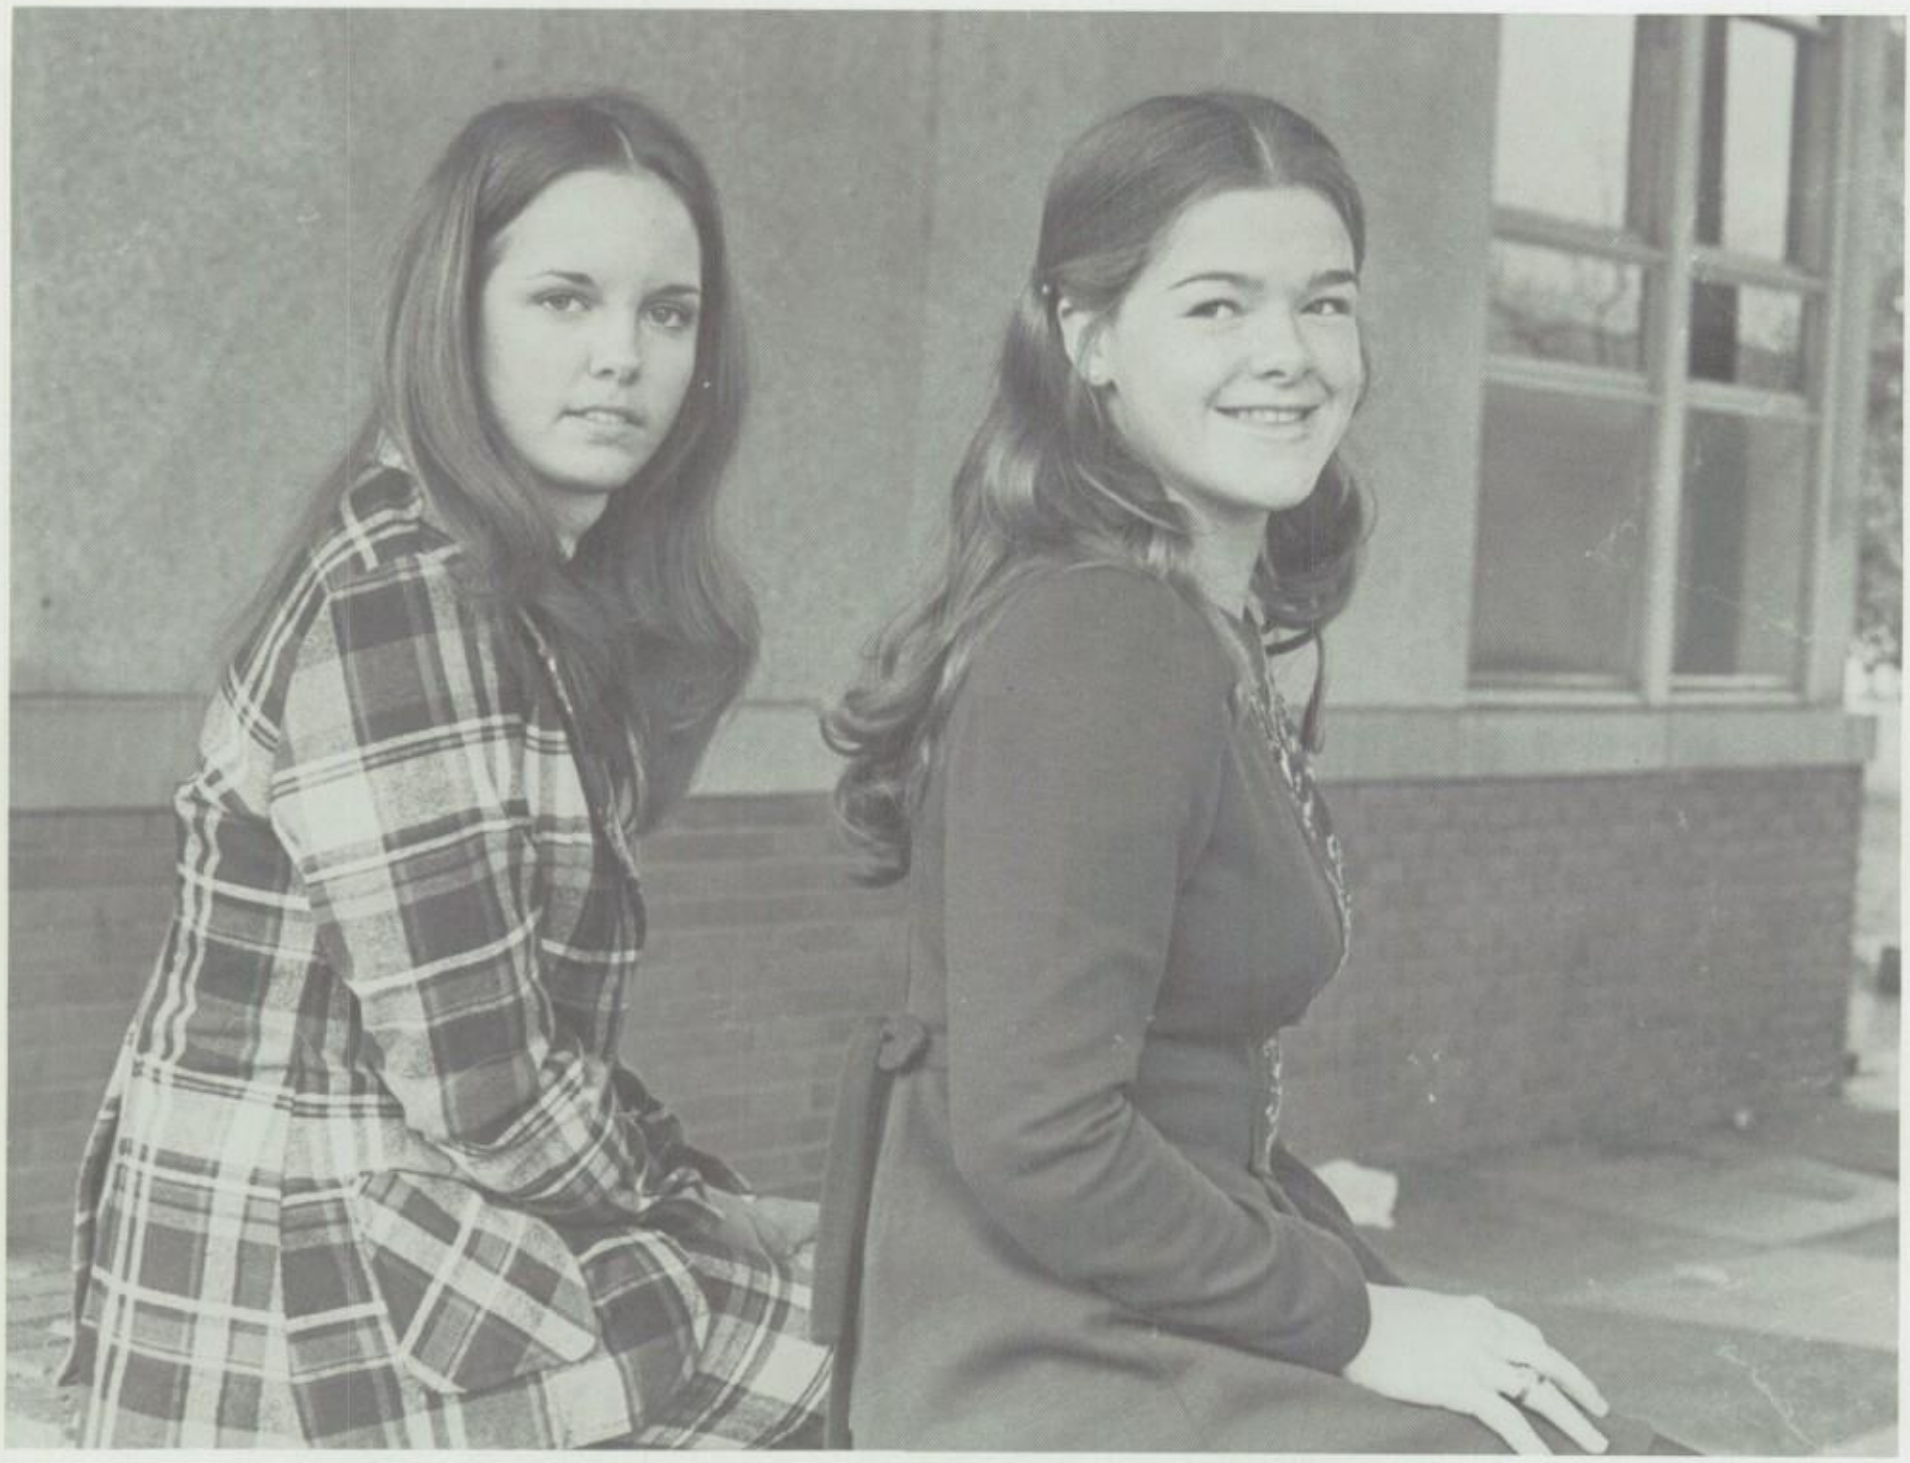
"My Responsibilities as a Citizen" was the subject for this year's Voice of Democracy Contest. It is sponsored by the Veterans of Foreign Wars. Students participating in the contest work very hard for the presentation of their speeches for the student body. Judges are located throughout the audience. The winner John Miller naturally captured his audience with his version of the subject. The contestants were: Stan Oakley, John Miller, Billy Allen, Henry Carrouth, and Sam Fullwood.

Stan Oakley and Ricky Tarleton Go to Boy's State

Boy's State is an American Legion sponsored event, organized to give certain rising senior boys an opportunity to learn more about state and local government.

Stan Oakley and Ricky Tarleton were chosen to go to Boy's State last summer. It was held for one week at Wake Forest University. While they were there all of the boys set up a state government system. Both boys from Garinger were elected Senators out of the group. Ricky and Stan both said that it really wasn't all that exciting unless you like government affairs. However, both enjoyed the water balloon fights at night.

Girls' State Representatives Are Cindy Rayner and Catherine McLauchlin



Girl's State is very similar to Boy's State with the exception that it is just for girls. Two representatives from Garinger were chosen to go last summer. Cindy and Catherine both seemed to enjoy the new experience which has been predominantly male before. I guess you could chalk it up as one more move for Women's Liberation.

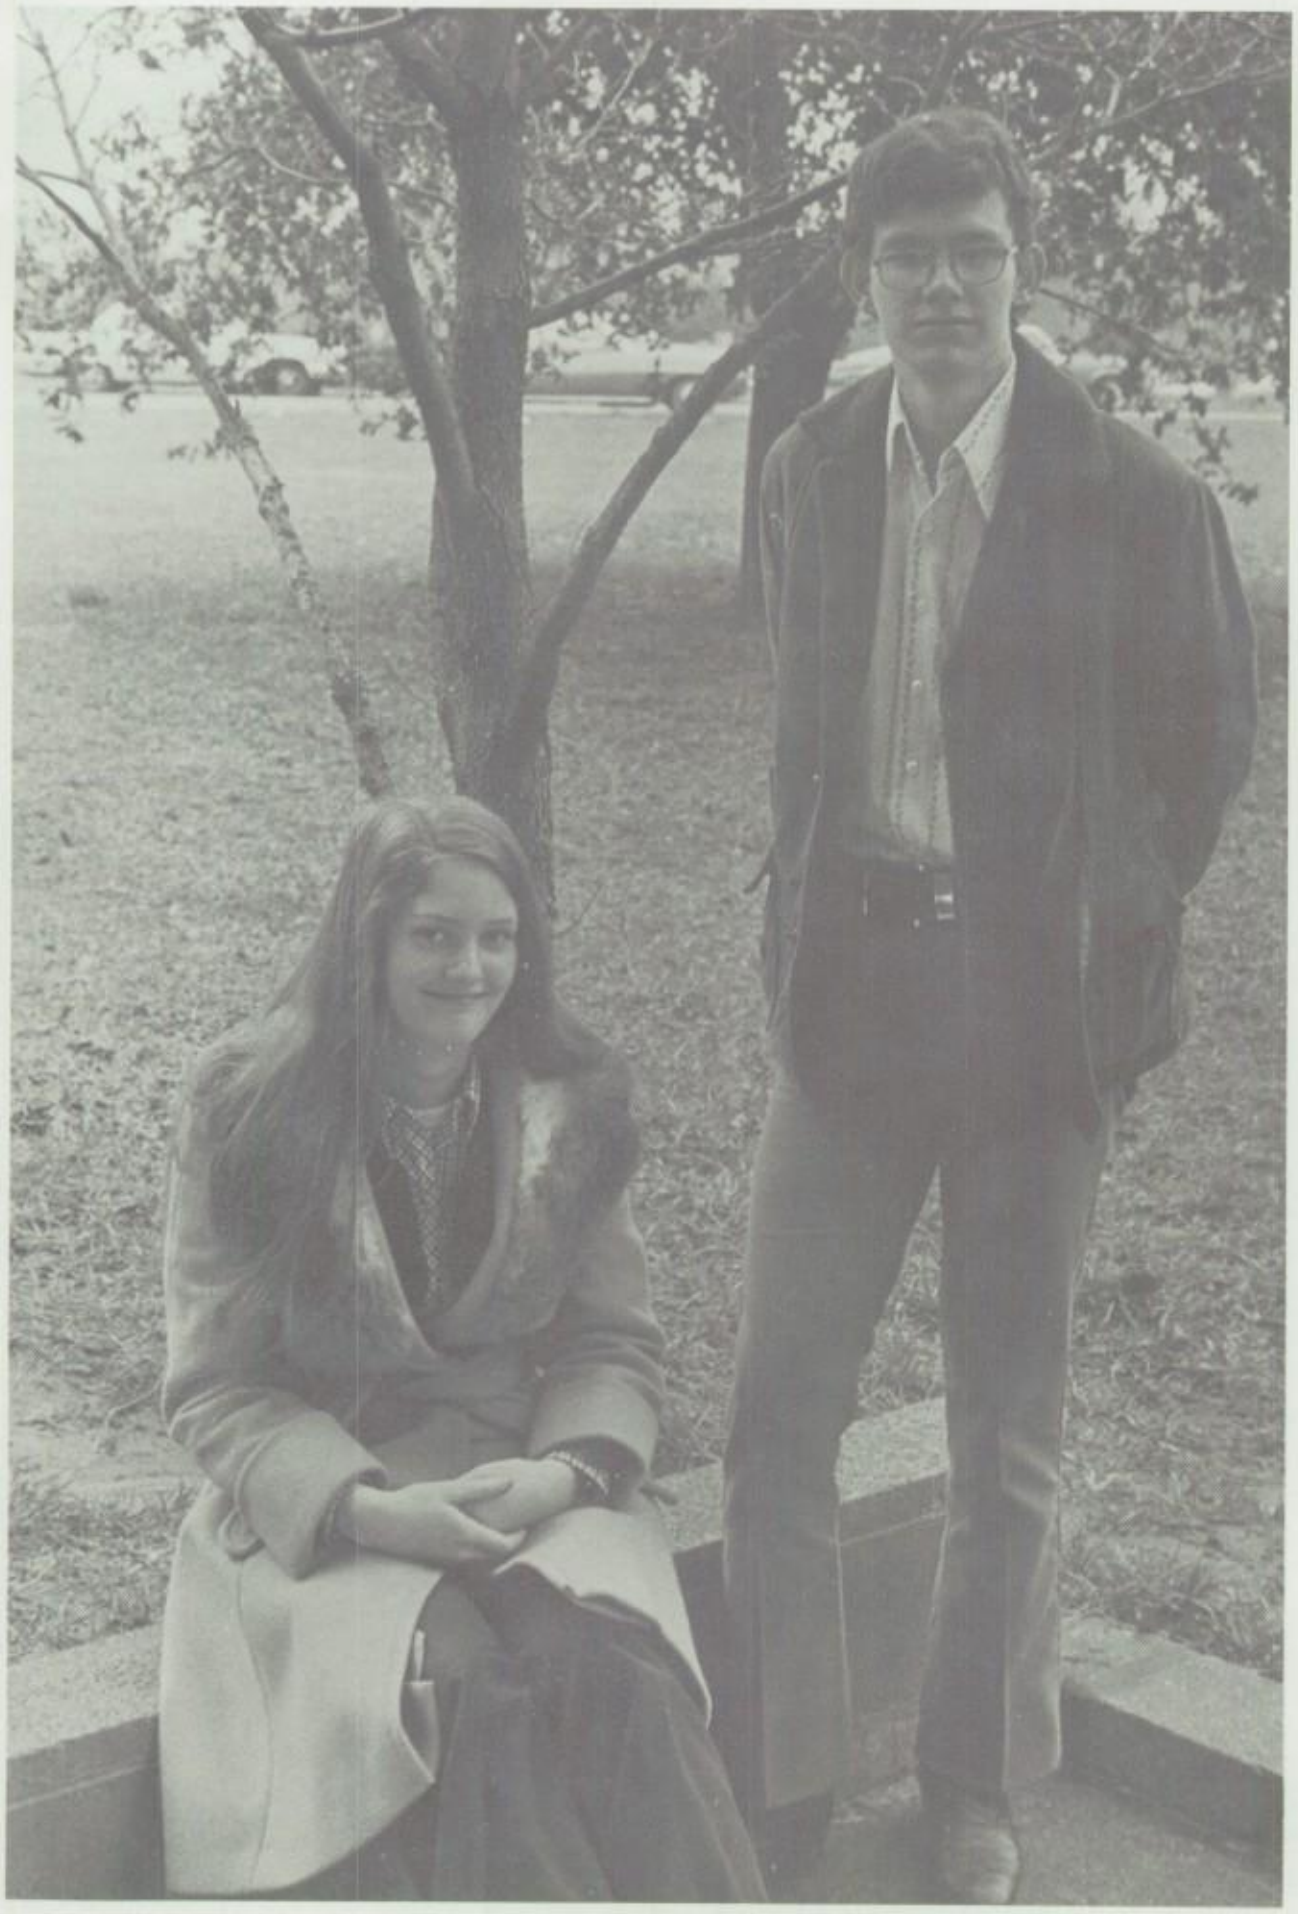
Garinger's Winner of Morehead Scholarship Is Stan Oakley

Stan Oakley is this year's recipient of the highly coveted Morehead Scholarship, which is presented by the University of North Carolina.

Stan was chosen on the basis of academic excellence, outstanding citizenship, and participation in extracurricular activities.

The Morehead Scholarship has an approximate value of $10,000.

Leigh and Bruce Off to Governor's School



Every year Governor's School is held at Salem College in Winston-Salem for talented students. During the summer of 1973 the school provided a variety of unique and distinctive educational experiences for approximately 400 highly gifted or talented high school students who would be juniors or seniors during the school year 1973-74.

Leigh Tomberlin and Bruce Henderson were representatives from our school. Experiences offered to them were in the areas of the humanities (English and French), mathematics, natural science, social science, art, music (chorus and orchestra), dance, and drama. Students are expected to concentrate in one area on the basis of aptitude, ability, and interest.

Claudie Is Sent to U.S. From France

Claudie at the beach with one of her American sisters.

Don't be so mean!

Dear Garinger,

I left France without any regrets, excited about this new world I was going to discover.

A quick flight to Paris — New York, clouds, oceans, hostess, tiredness and suddenly another world with different language than the one I was used to. You could imagine my first reaction looking around me, impressed by what would be my life now: the traffic, cars, the nice area of Charlotte with all the pines and sunshine. I never thought I would have a chance to come to this Foreign Country: big, different, exciting, and so far away from Europe. Now, life here is quite familiar to me. I enjoy very much to live "a l' americaine."

Garinger means a lot to me. It is a place where I get to know people and learn about your country. Being an exchange student is a great experience and I encourage each one of you who would be willing to go abroad. It's hard sometimes because this experience means to give a lot of yourself — but in return you receive a lot.

And so you leave a little of yourself, of your heart everywhere in the world, but you don't mind to suffer for the purpose of brotherhood.

To My Friends,
Claudie

Leslie Weideman Is Our Carrousel Princess

There she is . . . Miss Garinger . . .

How about a smile from our Princess!

Leslie was Garinger's 1973-74 Carrousel Princess. She represented the Senior Class in the annual Carrousel Parade in Charlotte. She was wearing a wine colored backless gown, with Ostrich feathers at the sleeves.

All three years at Garinger Miss Wiedeman has excelled in competition for beauty and talent; so she was naturally one of our best to represent Garinger.

This year at Memorial Stadium Garinger hosted West Forsyth for our 1973 Homecoming Game. Each senior player chooses annually a girl to sponsor for the Homecoming Game. They choose one senior girl from all of these to reign as Homecoming Queen. This year, to no one's surprise, Leslie Wiedeman was chosen as our Queen. She was Mark Jetton's sponsor and was escorted by Danny Martin. Leslie reacted very happily with a stream of tears, as did many of her "fans."

The members of her Homecoming Court were Judy Sansbury, and Romonia Crowder.

Danny reacts accordingly as Leslie hears her name called.

Leslie walks back to the crowd filled with joy as onlookers are glad the whole ordeal is over.

Karen McKeown Wins Title of Miss Blue and Gray

Karen McKeown was chosen Miss Blue and Gray for the Class of 1974. She was judged on poise, talent, and beauty. Karen definitely has all these qualities. She has been a cheerleader at Garinger, a member of Adelphians and G.G.A., and has many talents in other fields. For her talent competion, Karen sang "Almost Like Being In Love." Karen says that when she won she couldn't believe the judges had chosen her for this big honor. She was grateful to everyone who made this possible, and we are glad she received the title.

This Year's Honor Society Tries for Abundance in Membership by Encouraging All Our Top Students

Officers: Ricky Tarleton, David Glass, Catherine McLaughlin, Shauna Goodman

Four requirements that determine a student's membership to the National Honor Society are character, leadership, service and scholarship. Any Junior or Senior students who for three consecutive semesters achieved a 3.0 grade average are eligible. The inductions are held twice a year, in September and in April for those students who achieve these requirements.

Each year the Honor Society presents a scholarship at Honors and Awards Day to one of its own members.

The commencement marshals are members of the Junior Class who are selected on the basis of superior scholarship, leadership, citizenship, service, and personal appearance. These outstanding juniors are nominated by Homeroom teachers and chosen through secret ballots by a committee of faculty members.

The responsibilities of the marshals for the Baccalaureate Service and the graduation exercises include distributing programs and escorting parents, guests and seniors to their seats. The chief marshals are chosen by the marshals themselves. These students have the honor of escorting the seniors to their seats and to the stage to receive their diplomas. Being a marshal is one of the greatest honors that could be given to a member of the Junior class.

Every year finding a judge for the Superlative Beauties is sticky business. This year we finally succeeded in finding a group of really talented singers and musicians. They are the world renowned rock group, "CHICAGO." This fall they came to Charlotte, and a few of us from the Snips and Cuts staff hustled over there before the show and handed them a few pictures of our most promising beauties to be judged. They picked one girl out of each class as a representative for her grade. We hope you agree with the choices they made.

Project Aires Involves

Project Aries is a program involving senior and junior high school students that are working together to alleviate some of the problems in junior high school and get some of the things that junior high school students want for their school, i.e. juke boxes, more effective Student Councils, school newspaper, dances, extracurricular activities, etc. This is new at Garinger, and we hope it will continue.

Larry Alston is chairman for Garinger.

Members include: Cassandra Cunningham, Larry Alston, Pam Taylor, Sam Fulwood.

National Merit Finalists

Stan Oakley and Cindy Maag are Garinger's Finalists in the National Merit contest. The NMSQT Tests were given in 35 local high schools for this area. Stan and Cindy will compete with some 15,000 United States students for the 3,000 Merit Scholarships that will be awarded in the spring.

Cassandra Cunningham for Black National Merit

Black National Merit was devised to give Negroes a chance to be given recognition for their scholastic abilities. Cassandra was Garinger's semi-finalist. She was required to take the PSAT and SAT tests before filling out the forms to meet the Statewide requirements for the scholarship award. We are very proud of Cassandra since she was one out of three from Charlotte.

Rallying Cats Finish 7-2-1

The 1973-74 edition of the Garinger Wildcats proved to be a very successful one. After a disappointing loss to Independence, the 'Cats regrouped and won their last four games to finish 7-2-1 and second in the city.

With Herb McKinney finishing with over 1000 yards rushing and having outstanding games against West Charlotte and Hickory and the defense giving up an average of only one touchdown per game, the 'Cats could have very well gone to the state playoffs, but it wasn't in the cards for this season.

Garinger also placed 8 players on the All-County teams and one on the Shrine Bowl team.

McKinney, 'Cats Outrun North

The 'Cats opened the season with a 26-13 thrashing of North Mecklenburg. With Herb McKinney running at will and the defense being its usual "sticky" self, the score should have been much worse.

The first score came late in the first quarter when McKinney scored from the three. North then took a brief 7-6 lead after practically being pushed into the endzone by penalties. That's when McKinney went to work. Running 65 yards in three plays, the third a 28 yard touchdown dash, the 'Cats went up 14-7 and were never headed again. McKinney wound up with 132 yards in 16 carries, and intercepted two passes on defense.

East Meck Ties Garinger

After the opening victory over North, the Wildcats met the Eagles of East Mecklenburg in an important division game. Nothing was settled as both teams showed very strong defenses and finally tied, 7-7.

The first quarter ended scoreless with East having the only scoring threat, going all the way to the 'Cat five before being stalled. In the second quarter, Bub James blocked an Eagle punt and Thad Allen recovered at the East 29. Dwight Clark found Mark Jetton on passes of 12 and 20 yards, the latter being the 'Cats lone TD. East came right back with a 60 yard drive. The two back breakers being a 23 yard pass play and a 29 yard touchdown pass.

'Cat Defense Paralyzes Mustangs, 20-0

The Wildcats came away with their second victory of the still young season with a 20-0 bombing over Myers Park.

With the 'Cat defense playing flawless, the confused Mustang offense never seemed to get untracked.

Garinger's first score came late in the first quarter when Dwight Clark found Howard Blount behind the secondary for 39 yards and a touchdown. Then midway in the second quarter, Herb McKinney, in one of the most spectacular runs ever witnessed in Memorial Stadium, took a Mustang punt at the 47 and returned it all the way for a touchdown. The third and final score came when ever present Thad Allen recovered a Mustang fumble in the endzone.

South Tops Garinger In Last 2:08

On September 28, Garinger and South Mecklenburg hooked up in what was billed "the game of the year", with the Sabres coming away with the victory, 7-0.

With the 'Cat defense playing superbly and all but stopping what most experts considered the best offense in the state, it looked as though it would end in a scoreless tie. It wasn't to be. South kept the 'Cats' back to the wall throughout the fourth quarter and then finally, with 2:08 remaining, South fullback Mike Thompson pushed it over from the two for the only score of the game.

Playing great on defense were Bub James, Bobby Wilson, Donnie Butler, and Thad Allen, and on offense, well, it speaks for itself.

Wildcats Finally Defeat Ashbrook, 14-0

Garinger traveled to Ashbrook after the disappointing loss to South, and for the first time since 1966, came away victorious, 14-0.

In the first half, some questionable calls by the officials on the 'Cat defense and too many mistakes by the offense, kept the score knotted at 0-0. Then in the second half, seemingly aroused by the raw deal they were getting from the officials, the 'Cats came out "wild" and drove to a touchdown on their first possession. Their final score came in the fourth quarter with Peanut Ware going over from the one. Dwight Clark scored the two-point conversion to ice the cake.

The victory left the 'Cats at 3-1-1, their best start since the 1967 team, which was 4-1 after five games.

Patriots Kick Wildcats

The Wildcats' record fell to 3-2-1, as the Independence Patriots came up with a surprising 3-0 win. The low score indicated the tough defensive ball that both teams played, with Mike Cox' 21 yard field goal being the only score of the night.

The 'Cats missed scoring opportunities throughout the game. The first chance came in the opening period when Garinger had a first and goal on the Pats' five yard line and failed to score. Twice later in the game, the 'Cats gave up the ball deep in Independence territory by fumbling and by a pass interception. The final gun sounded with Garinger desperately trying to score from the Independence 19 yard line.

'Cat Defense Stops WF

Garinger pounded out a decisive 15-0 win over West Forsyth and won its fourth consecutive homecoming game before an enthusiastic alumni crowd.

The 'Cats crushed a powerless Titan team with two first half scores and never allowed their offense to threaten.

Early in the game, Duke Craig put the 'Cats on the board with a score from the 14. Later, a 35 yard pass from Dwight Clark to Howard Blount set up a one yard tally by Nate Chambers.

Craig finished the night with an impressive 92 yards rushing, insuring the 'Cats of their fourth win against two losses and one tie.

Wildcats Top W. Charlotte, 26-14

Garinger finally won their first di-ision game of the year with a not o impressive 26-14 victory over West Charlotte.

With the offense having their most roductive night of the season amas-ing 293 yards on the ground, it could ave been a rout, but the "Big G" de-ense prevented any such thoughts of hat by having their only letdown of he season.

Herb McKinney led the offense, gaining 232 yards and scoring on runs of 53 and 31 yards. Gary Simms, seeing limited action before this game, broke off a sparkling 58 yard punt return midway in the second quarter.

The win was the 'Cats fifth against two losses and one tie for the season and set up a long awaited rematch against the Red Tornadoes of Hickory.

'Cats Slip By Hickory, 24-21

The 'Cats took their 5-2-1 record to Hickory on November 2 and with Herb McKinney having one of the best individual performances witnessed by Garinger faithful in recent years, came away victorious, 24-21.

With Hickory leading 7-0 late in the first half, McKinney scored from the 21 and then tightroped the side lines for the two point conversion leaving the score 8-7 at the half.

Then opening the second half, Herb brought the crowd to its feet with an 80 yard touchdown gallop, and again, scored the two point conversion to make the score 16-7. After Hickory had scored to make it 16-13, Herb took a pitch around left end for 45 yards and another touchdown and for the third time scored the two points.

McKinney ended the game with 168 yards in 17 carries and raised his county leading rushing total to 817 yards.

Garinger Trips Huskies 12-7, In Final

Although unable to gain a play-off berth, the Wildcats made their final game a memorable one, nailing the Hunter Huss Huskies by a score of 12-7.

After falling behind in the first quarter by 7-0, the 'Cats came back with a 26 yard scoring strike from Dwight Clark to Howard Blount. Early in the second half, Herb Mckinney bulled over from 11 yards out to give Garinger all the points they needed. From then on, the defense did the work, forcing three turnovers and allowing no score.

Late in the game, Huss put the pressure on and the 'Cats were forced to punt from their own endzone. Punter Jay Curlee responded with a booming 76 yard punt all the way down to the 'Cat 13. This put them out of danger for the remainder of the game.

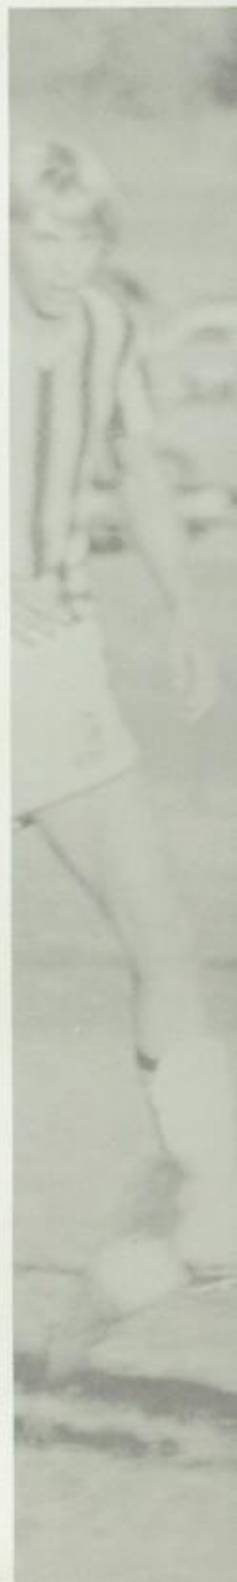
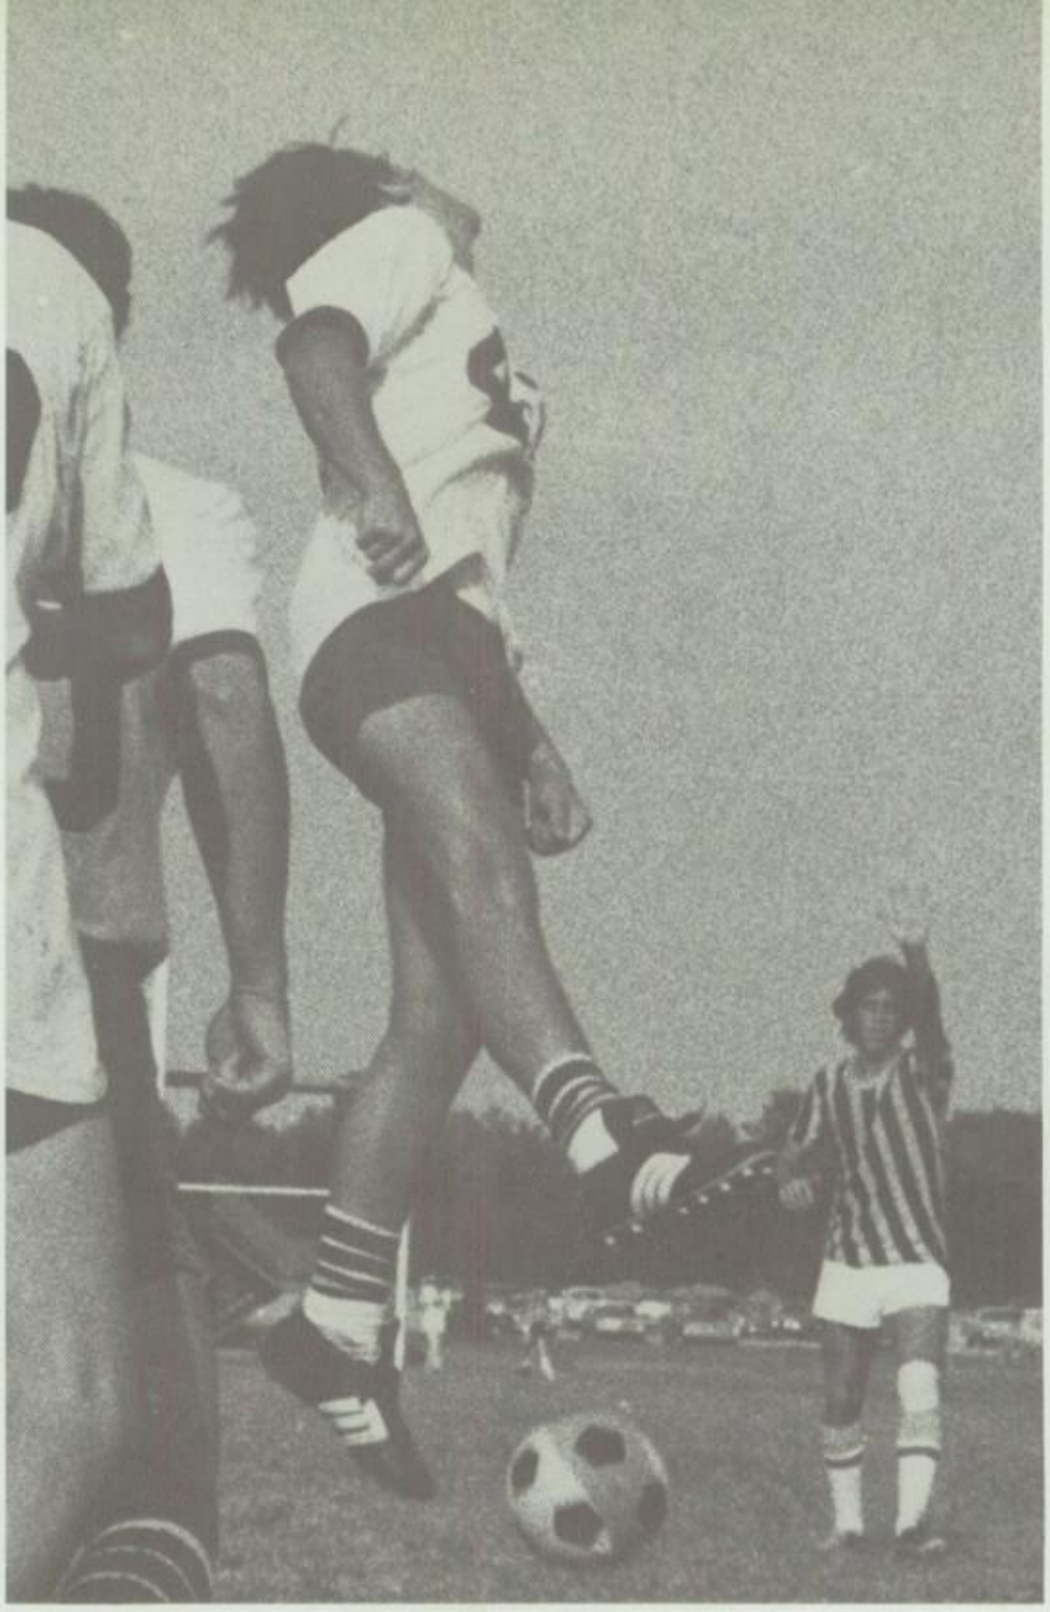
Socks Win Four

Though their season record ended 4-7, Garinger's soccer team showed tremendous improvement and promise for the future. The team scored more goals and won more games than ever before in Garinger soccer history.

The season proved to be a heartbreaker, the Cats losing their first four games by one goal. Instead of letting down at that point, they came on to win their next three games in a row. In the second half of season, Garinger lost only to the top two teams in the county, East and South. In perhaps the biggest game of the season, the Cats lost a squeaker to East. They handled the Eagles, who finished with a perfect 10-0 record, until the final minute of a double overtime, when the Eagles snapped a 2-2 deadlock.

Junior lineman Michael Castrillion led the Cats in scoring with ten goals. Eight of them came in two consecutive games when Michael scored four goals in each. Co-captains Rick Tarleton, Charlie Williams, and Dell Hamilton provided leadership for the team.





Two Harriers Compete In State Meet

Two of Garinger's cross country runners, Tony Bateman and Felix Rataj, won the honor of running in the North Carolina state Cross Country meet. Their success was the result of many hours spent circling a 2.5 mile course around the Garinger campus, bringing down running times and staying in shape. For the two runners, five regular season meets served as preparation for the state meet as well as four other post-season events. Bateman made a fine showing, becoming the number two high-school cross country man in the state by covering a 2.7 mile course only two seconds behind the leader.

Bateman and Rataj are the only two runners graduating from this year's team. Next year the Harriers, coached by Mr. Joe Tomanchek, will depend on juniors Tony McDaniels, Ricky Spinks, George Flowe, Preston Hill, and George Montes and sophomores Greg Huskie, Roger Mayer, and Jeff Coble.

Wildcats Have First Winning Season Since '67

For the first time since 1967, when the 'Cats finished third in the state, Garinger had a winning season, finishing 14-10. With nothing less than sensational performances from All-County guard Wilbur Johnson, the 'Cats came back time and time again against unbelievable odds.

Recapping the season, the Wildcats defeated North three times and Harding twice before Christmas and went into the break with a 5-3 record and ready to challenge for a Division 9 title, but this wasn't like other years in that it was going to be difficult to even finish with a winning record in "the toughest division in the state" or if you perfer "the ACC of high school basketball". Even though, the 'Cats started off by winning their first two division games over snake-bitten Independence in overtime and Hickory, but after an

impressive win over West Mecklenburg, the Wildcats struck the low point of an otherwise fine season, losing at West Charlotte, Hunter Huss, and South and then suffering a rare home defeat at the hands of surprisingly consistent East Mecklenburg. This turned out to be the only slump the Cats went through all season. They then reeled off 5 consecutive wins over Independence, Hickory, West, and came up with exceptionally strong performances against West Charlotte and South. After back to back losses to Huss and East the 'Cats opened the Districts in "Wildcat Country" against South and with Wilbur Johnson handling every defense the Sabres had to offer, Garinger came away victorious, 67-62. The next game was at UNCC and the 'Cats met the Huskies of Huss in the semifinals, but Huss proved to be just too strong inside and won, 71-60, thus ending the Wildcat's season. Bright spots on this year's team besides Johnson were Dwight Clark, who also made All-County, Jeff Collins, who wasn't even counted on before the season, Raeford and Russell Caldwell and Reginald Irby. With 10 of the 15 players returning next season plus a fine crop of JV talent, the 'Cats are already thinking state champs!

Individuals Shine for Grapplers

The Wildcat wrestling team finished on a strong note this year, only three points behind the third place team in the Southwestern District tournament. Though the team as a whole hit low spots during the season, different individuals showed consistency and flashes of brilliance. Charlie Williams, the team captain, continuously pinned opponents during the season and finished second in the district tourney. Ronnie Stevens, a junior, was voted most outstanding wrestler in the tournament and went on to finish fourth in the state at 112 pounds.

Few wrestlers will be leaving from this year's squad, and coaches Carroll and McCormick should be looking forward to coaching a powerful 1975 team.

Tomanchek - Led 'Cats Look for a Winner

Where there's Joe Tomanchek, there's a way in Garinger baseball and this year is no exception. Hit hard by the graduation of such stars as Tommy Little, who was player of the year in the county last year, Brad Bradshaw and Win Barkley, things shouldn't look too bright for the 'Cats, but you can never count out a Tomanchek coached team.

Returning from last year's division champions, a team that set several Southwestern 4-A records including most consecutive wins at 17, are Buddy Beamer; an outstanding second baseman who has All-County potential, and also Ben Cowan, Ronnie Horne, Bub James, Chuck Baker and Pierce Sawyer. The only question mark on this year's team appears to be the pitching, an area where graduation hit the hardest.

At Garinger, baseball is a tradition, with 1967 being the last time the 'Cats didn't win the division title. During the past two seasons, Garinger has mounted an amazing 33 wins and only 5 losses.

Netters Hopeful of Good Season

The 1974 edition of the Garinger tennis team, under the direction of Joyce Hunter, is expecting a fine season. Returning from a team that last year won its last four matches and finished 8-7, are number one and two men Billy Belk and John Duncan and Dickie Givens, Greg York, Monte Uzzell, Ralph Scronce, and David Finger. These returnees will hopefully provide the experience and leadership it takes to contend for a championship. The netters main obstacles on the way to a possible division crown are Myers Park and the Eagles of East Mecklenburg.

Mauldwin Expected to Lead Duffers

Lacking in experience, the 1974 Duffers are looking for just an average season.

Leading this year's golf team will be Senior Mark Mauldwin, who is the only Garinger golfer with any appreciable tournament experience. Mauldwin, who has played the game since he was seven years old, promises to be the leader in scoring and consistency.

In the past two years, Garinger has finished fifth and tenth in the state. Hopefully, Mauldwin and company can carry Garinger into a third straight State competition.

First Row — Howard Blount, Gordon Cureton, Willie White, James Ingram, Eddie Hill, Charles Harris, Dwight Clark, Ervin Green, Greg Williams. Second Row — Tony Wright, Greg Huskey, Tony Bateman, Thad Allen, George Montes, Frank Gaither, Jim Martin, Vanda Cathey, Ricky Gaston. Third Row — Coach Reid Hilderbrand, Roger Mayer, Felix Rataj, Eugene Stitt, Preston Hill, Herb McKinney, Alantis Aaron, Chester Donald, Stan Cunningham, Tony McDaniels, Coach Joe White.

Cinderman Expect Fine Season

The Garinger Track team, under the direction of coaches Joe White and Reid Hilderbrand, are optimistic about this season and for good reason. With some excellent performers returning from last season, blended in with some fine new talent, the Cindermen are expecting a fine season.

Heading the list of returnees are Tony Bateman, who finished high in the two-mile last year and is considered to have an excellent shot at winning the state in that event this year, Thad Allen, in the shot and discus, Dwight Clark, in the triple jump and broad jump, and Howard Blount in the high hurdles. Blending in with these exceptional performers are Alantis Aaron in the high hurdles, Gordon Cureton, a fine 440 man and Felix Rataj, a star of the cross country team and an 880 and mile man on the track team.

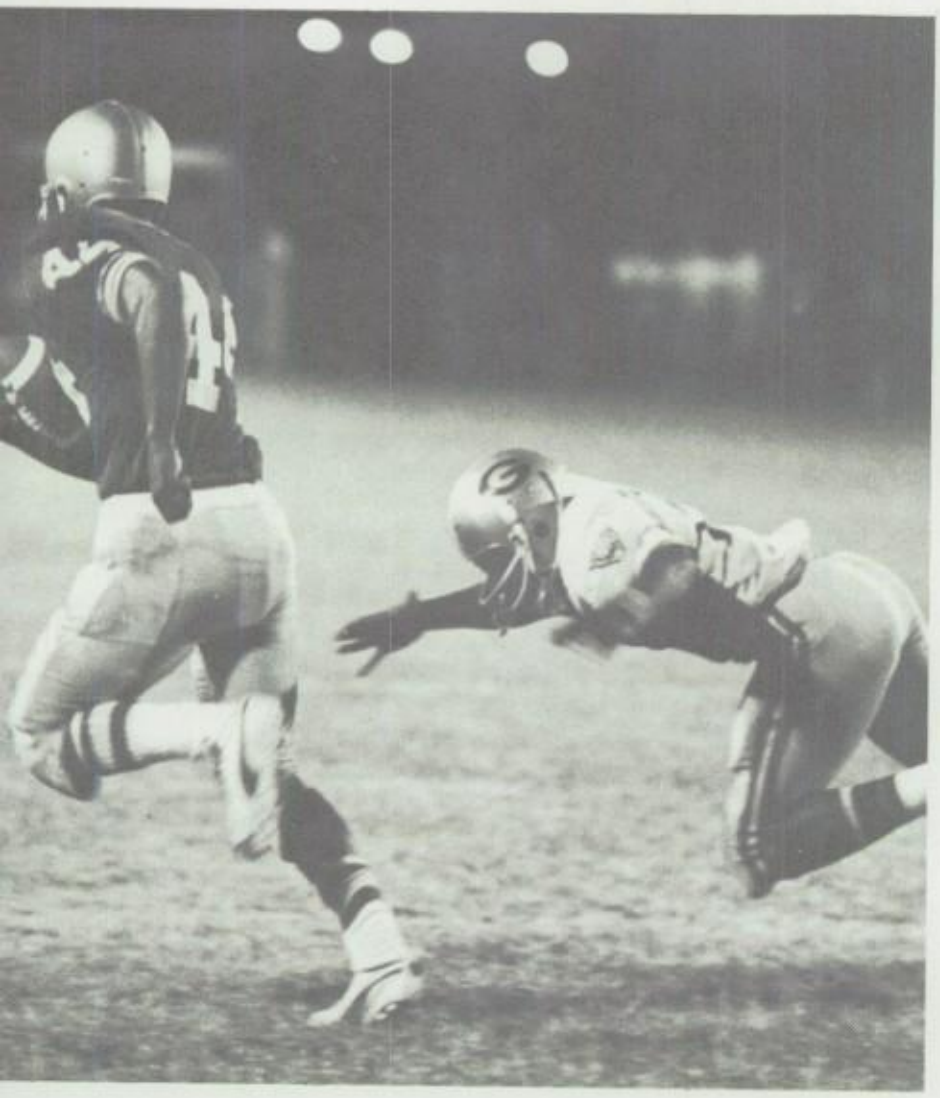
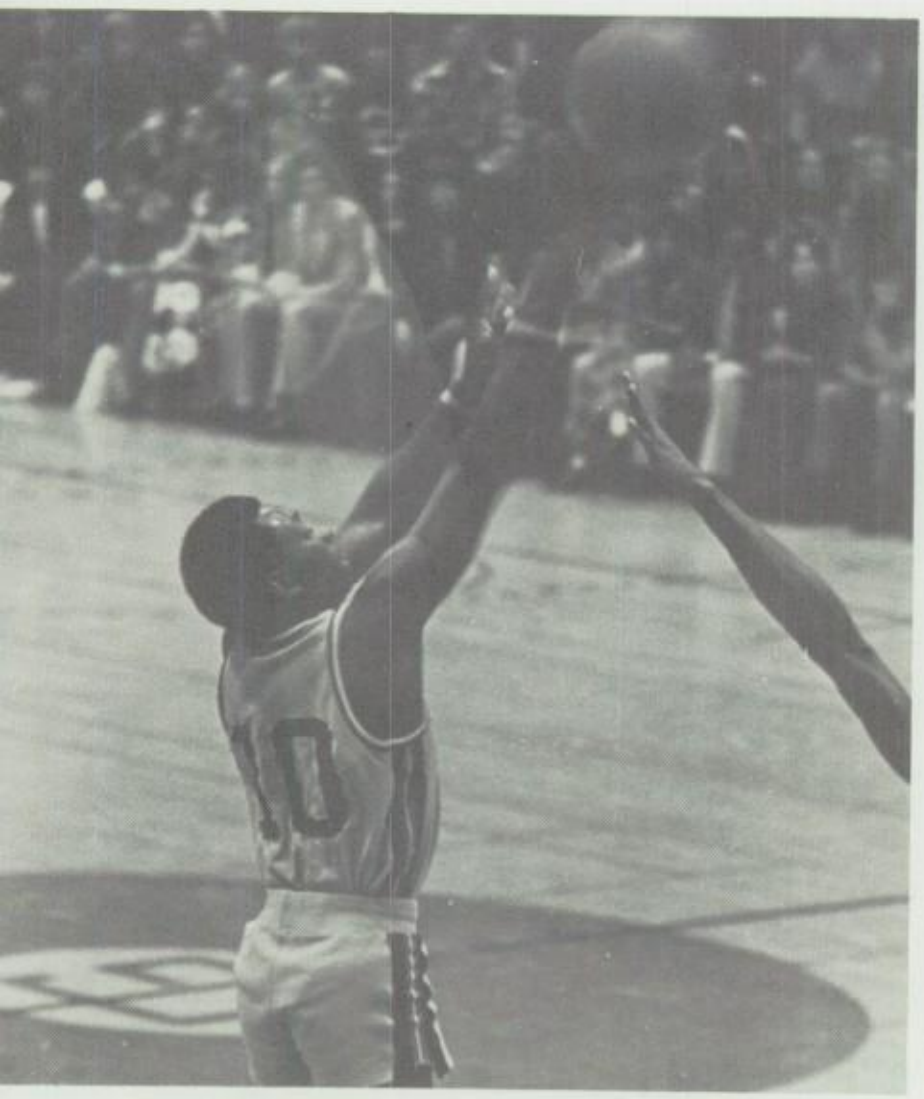
1973 - 1974 - Remember When



ependence beat us 3-0, and knocked us out of a chance of going to state and getting another shot at South.

Tony Bateman finished second in the state in cross country.



ur Johnson led the Wildcat basketball team to the first winning sea- ince 1967 and knocked South from the Division 9 playoffs.

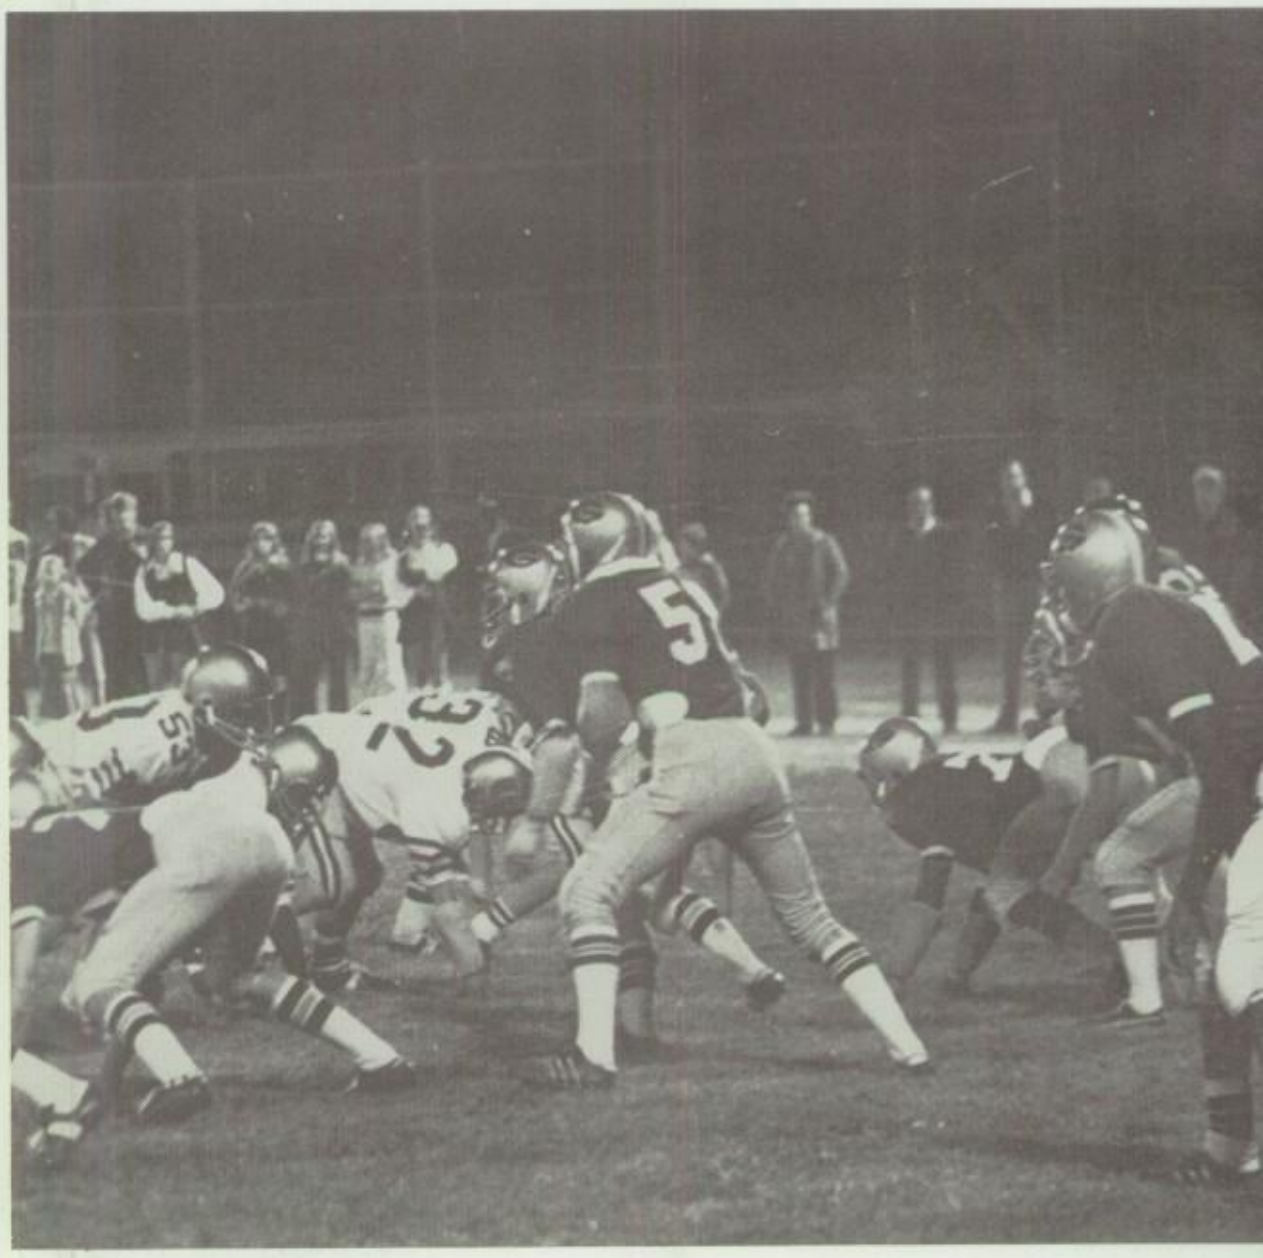
Garinger baseball started out slow, as usual, but as usual, who knows?

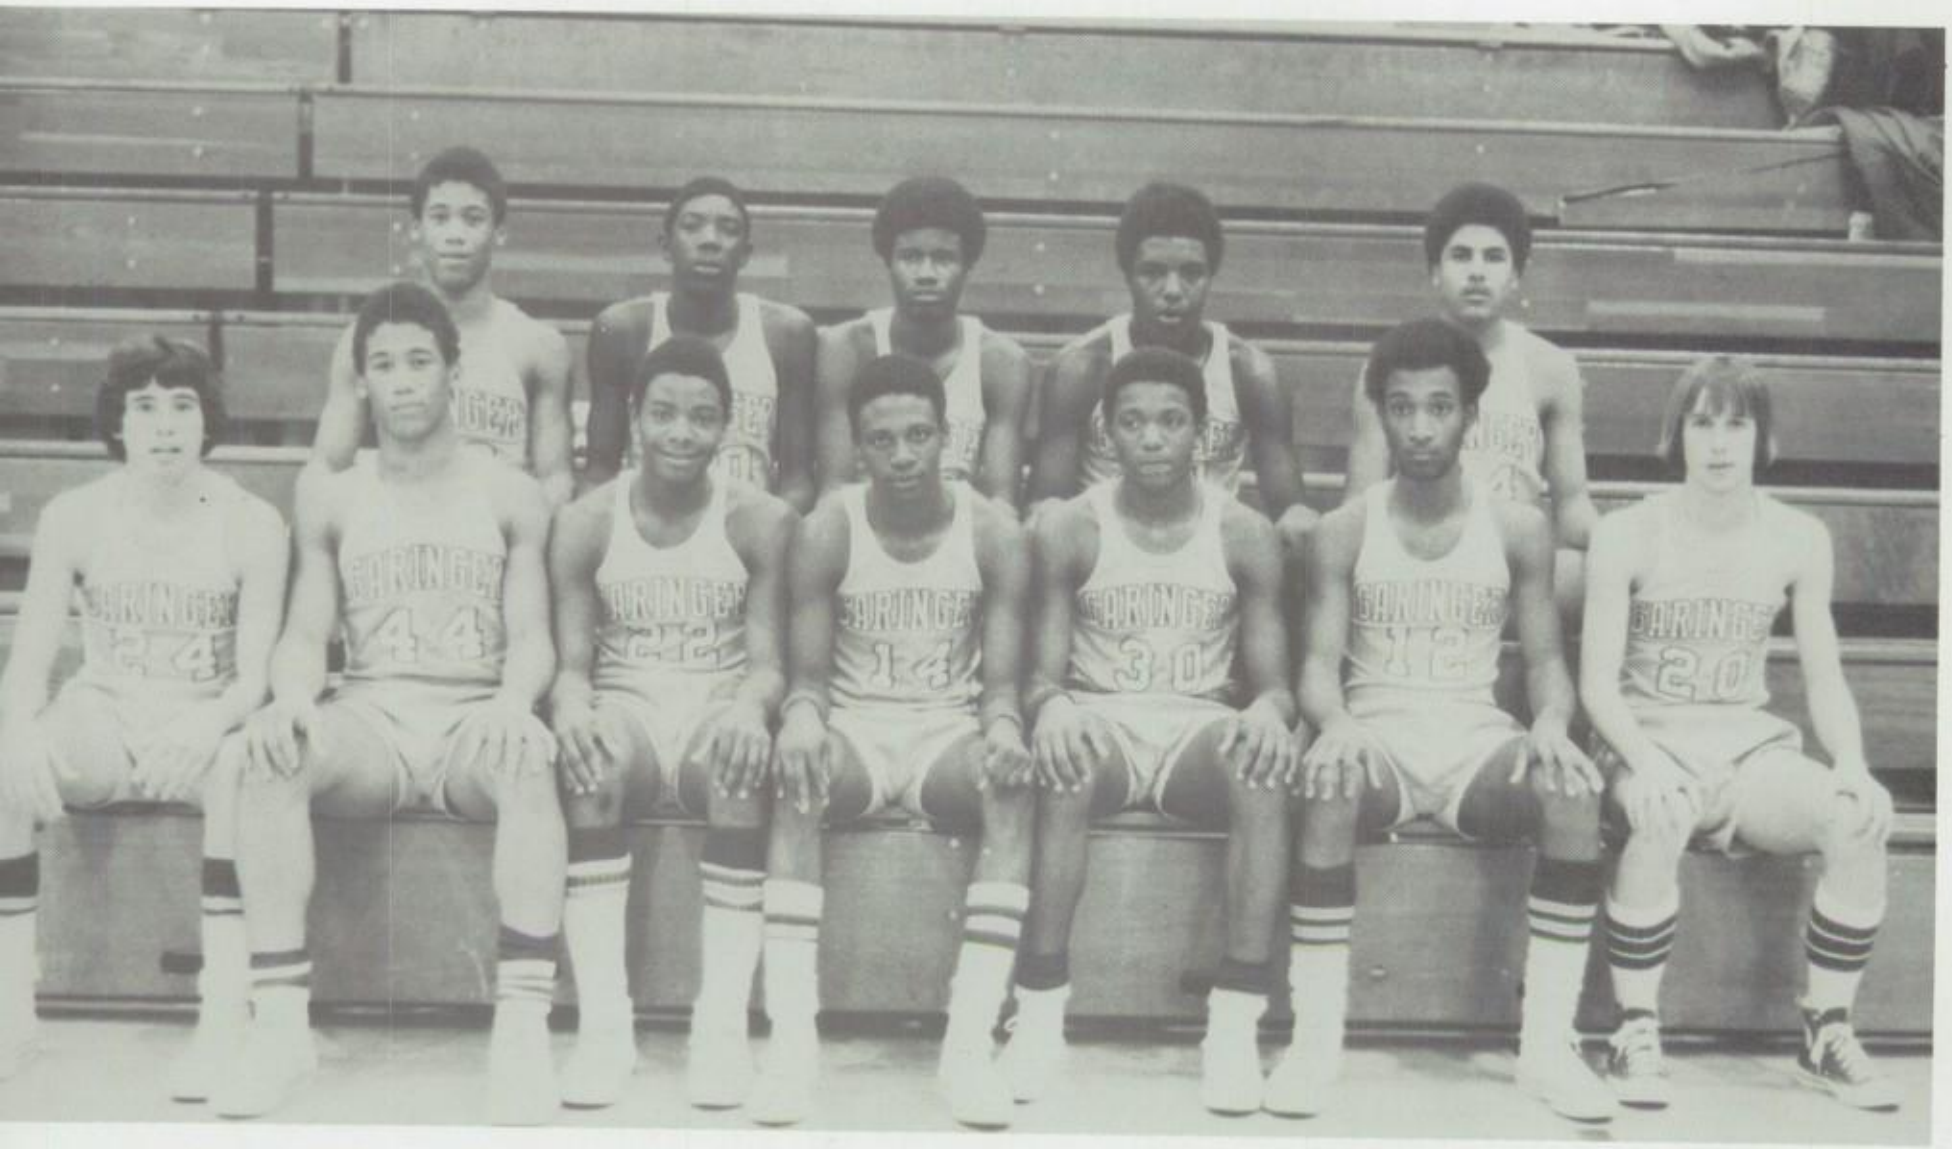
Kittens Again Have Fine Season

The Wildkittens of Garinger, under the direction of Head Coach Bob Godwin, had still another successful season, losing only to Ashbrook twice and finishing up with a very impressive 7-2-2 record.

Opening the season with narrow wins over Hunter Huss and East Mecklenburg, with a tie to North in between, the 'Kittens proved they could do what good teams have to do, which is make the big plays in the clutch. Time and time again, they came back when the game already looked decided.

Leading the 'Kittens on offense was leading rusher James Ingram and on defense, Linebacker Don Yarborough proved to be a strong force. These two, along with many others, will make the varsity strong again next year.





First Row: Hector Venegas, Stanley Cunningham, Joe Blakney, Gerald Wilson, Tony Hudson, Sylvester Brooks, Jim Smith. Second Row: Sidney Cunningham, Albert Martin, Donzell Leak, Ronnie Little, Jack Brayboy.

J.V.'s Have Winner Under Holland

The J.V. basketball team, after a disasterous start winning only one of their first five, finished with a fine 13-8 record and third in the J.V. tournament. After Christmas, the 'Kitten cagers were 12-4 and should have taken home all the marbles, but an overtime loss to South, the eventual champion, prevented that.

Bright spots and keys to the success were Ronnie Little, who averaged 22 points and 12 rebounds per game, Albert Martin, who averaged 12 points and 7 rebounds, and Sid and Stan Cunningham.

With the success of the J.V.'s, coupled with the fine season the Varsity had, the Garinger basketball program is reaching for the stars.

Do I look like I feel — out of place?

Assurance

If I could be sure,
Absolutely sure . . .
If I could be positive,
And know for a fact,
That at some time in life,
I will give —
Not take back,
One moment of joy,
Or love, or happiness;

Then, at that moment,
I could be glad.

Then at that moment,
I could be proud,
And I could lay my body down;
Relieve it of duty —
Just let my soul guide me, and
I would be happy.
Until the end of this life, and
The beginning of the next.

And then, at that moment,
I would be glad.
